STATEWIDE CURRENT SITUATION: On July 17, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) has received federal approval to allow Supplemental Nutrition Assistance Program (SNAP) recipients in 36 counties impacted by Hurricane Beryl to purchase hot foods and ready-to-eat meals with their benefits.

Federal approval allows SNAP recipients to purchase hot foods with their Lone Star Cards at participating retailers within the approved counties through August 14. Hot foods include rotisserie chicken, grocery store deli items, and other food that is hot at the point of sale.

On July 15, Governor Abbott and Chief Kidd toured a Hurricane Beryl resource staging area and thanked responders who worked around the clock to assist fellow Texans.

On July 14, Governor Abbott directed TDEM to request additional counties be added to the federal disaster declaration for the Federal Emergency Management Agency's (FEMA) Individual Assistance programs. The additional counties include Austin, Bowie, Shelby, Trinity, and Waller.

On July 13, Governor Abbott announced that the federal government has updated the Major Disaster Declaration for Hurricane Beryl to include 17 Texas counties now eligible for the Federal Emergency Management Agency's (FEMA) Individual Assistance program.

On July 12, Acting Governor Patrick announced today that, at his request, FEMA has amended the Major Disaster Declaration for Hurricane Beryl to include 15 Texas counties he requested for FEMA's Individual Assistance program.

Additionally, Acting Governor Patrick directed the Texas Division of Emergency Management (TDEM) to request the inclusion of Fort Bend and Nacogdoches counties to FEMA's Individual Assistance programs.

On July 11, Governor Abbott announced that Texas has requested FEMA Individual Assistance program for 15 counties; Brazoria, Chambers, Galveston, Harris, Jackson, Jasper, Jefferson, Liberty, Matagorda, Montgomery, Orange, Polk, San Jacinto, Walker, and Wharton. Additional counties may be requested at a later date as damage assessments are completed.

Acting Governor Patrick announced that HHSC received federal approval allowing recipients of SNAP to apply for replacement benefits for food lost or destroyed from Hurricane Beryl. The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) is also replacing food and formula benefits lost during the hurricane.

On July 10, Governor Abbott announced that 67 Texas counties have been approved for federal disaster assistance as part of a Major Disaster Declaration approved by the President following impacts to the state from Hurricane Beryl.

On July 9, Governor Abbott provided an update on the ongoing response effects to Hurricane Beryl in Texas. TDEM and state agency partners remain in constant contact with local officials throughout the response and recovery from Beryl to ensure all needs are met.

Acting Governor Patrick spoke with President Biden and requested a federal disaster declaration through the FEMA. The President granted the state's request. The Major Disaster Declaration allows for reimbursement for up to 75 percent of costs associated with expenses for debris management and emergency protective measures. The State of Texas may make additional requests as damage assessments are completed.

On July 6, Acting Governor Patrick added 81 counties to the state's Hurricane Beryl added 81 counties to the state's Hurricane Beryl Disaster Declaration as storm forecasts have shifted the expected landfall north and east of previous projections.

On July 5, Acting Governor Patrick issued a disaster proclamation certifying that Hurricane Beryl poses a threat of imminent disaster, including widespread and severe property damage, injury, and loss of life due to widespread flooding, life-threatening storm surge, damaging wind, and heavy rainfall in Atascosa, Bee, Bexar, Brooks, Calhoun, Cameron, DeWitt, Dimmit, Duval, Frio, Goliad, Gonzales, Hidalgo, Jackson, Jim Hogg, Jim Wells, Karnes, Kenedy, Kinney, Kleberg, La Salle, Lavaca, Live Oak, Matagorda, Maverick, McMullen, Medina, Nueces, Refugio, San

Patricio, Starr, Uvalde, Victoria, Webb, Wharton, Willacy, Wilson, Zapata, and Zavala Counties.

On July 4, Governor Abbott directed TDEM to increase the readiness level of the State Emergency Operations Center to Level II (Escalated Response Conditions) effective at 10 a.m. on Friday, July 5. The Governor also instructed TDEM to begin readying state emergency response resources for potential deployment ahead of Hurricane Beryl.

On July 3, Governor Abbott directed TDEM to issue an advisory notice to the 39 Texas Emergency Management Council Agencies to prepare to support hurricane response and recovery efforts and develop 24/7 staffing plans for the State Emergency Operations Center should the forecast track for Hurricane Beryl further materialize with expected impacts to the Texas Gulf Coast.

On July 2, TDEM urged Texans that live in and are visiting coastal communities for the Fourth of July holiday to keep an eye on the Gulf, heed warnings of local officials, and have a plan in place should tropical weather impacts reach the Texas coast.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

Communications Coordination Group (CCG): CCG Partners, TDEM, the Commission on State Emergency Communications (CSEC), Texas Department of Public Safety Office of the Statewide Interoperability Coordinator (SWIC), FEMA Region 6, and CISA are having daily communication coordination calls. CISA will provide temporary access to Government Emergency Telecommunications Service (GETS) and Wireless Priority Service (WPS) cellular calling cards, and the cellular calling cards will be good for the duration of this hurricane season. CISA will also provide access letters for personnel to reenter storm areas if there is a need to provide repairs to damaged critical infrastructure. FEMA and CISA will identify services they can provide under the current Governor's declaration.

CSEC provided an overview of the PSAP structure in Texas and there are discussions within the state on developing a system to help differentiate between a 911 work-around versus a 911 outage. ESF 2, ESF 8, ESF 12, federal partners, and

Lumen are working to identify critical infrastructure to be prioritized during the power restoration operations.

Incident Support Task Force (ISTF): As of July 17, ISTF is right-sizing resources and mass care needs from the community and the partners supporting operations. Trends in feeding and sheltering are on the down slope as power is being restored. Partners are establishing Shelter Consolidation Plans and demobilizing feeding sites.

ISTF is tracking six shelters with a total population of 231. There are four feeding sites and mobile areas in operation. To date, 306,629 Hot Meals and 2,381,214 Shelf Stable Meals have been served, and 12 food pallets and 13 water pallets distributed.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1): On July 6, TX-TF1 activated a Type 1 Water Capable Urban Search and Rescue Team (USAR), a Type 3 Water Capable USAR Team, four Swift Water Rescue (SWR) Boat Squads, a Water Group Supervisor package, and an overhead team. The two SWR Boat Squads activated to assist New Mexico were redirected to join four SWR Boat Squads in Texas. On July 13, all USAR resources were released. TX-TF1 has a logistics package supporting the RSA at NRG.

Texas A&M AgriLife Extension Service (AgriLife): As of July 20, the State of Texas Assessment Portal received 447 AgSTAT submissions with 117 requesting AgriLife assistance and County Extension Agents (CEA) will follow up with landowners in their respective counties. Two liaisons are working remotely from the SOC over the weekend and three Disaster Assessment and Recovery (DAR) members will demobilize the command trailer and ATV from the Port of Houston and return to College Station. The STAR received from Austin County will be canceled as TDEM Recovery is working to meet their needs. All damage assessment teams have demobilized.

Texas A&M Engineering Extension Service Public Works Response Team (TEEX/PWRT): On July 18, the Surfside Beach strike team completed cleaning and restoring the city's wastewater system. One PWRT member is continuing to move commodities at NRG, and one is acting as a liaison at FEMA's Generator Staging Base in Angleton.

Texas A&M Forest Service (TAMFS): TAMFS continues to support Hurricane Beryl Response. TAMFS personnel and Texas Intrastate Fire Mutual Aid System (TIFMAS) personnel continue to support damage assessments and saw team requests throughout multiple counties in TDEM Region 4. TAMFS Personnel, TIFMAS Strike Teams (ST) and All Hazard Incident Management Team (AHIMT) personnel are supporting tracking, delivery, and distribution of commodities at RSA and POD sites. TIFMAS teams are also supporting 911 response in Sargent and Fire Watch for Matagorda County debris sites. TAMFS continue to support the State Operations Center, IST RELLIS, and DDEOC 16.

Other State Agencies

Public Utility Commission of Texas (PUCT): CenterPoint and TNMP have completed power restoration associated with Hurricane Beryl. CenterPoint will continue vegetation work as well as some additional work on the distribution system using MAG and contact crews. As of July 19, there were about 8,500 outages statewide.

Texas Animal Health Commission (TAHC): TAHC has been in communication with animal control shelters with outdoor facilities to make appropriate accommodations from the recent weather.

Texas Commission on Environmental Quality (TCEQ): TCEQ has deployed waste teams to conduct environmental surveys in the storm-impacted areas.

TCEQ staff are available to provide technical assistance and guidance on debris management and are available to process temporary debris management site applications. TCEQ has authorized 98 temporary debris management sites.

As of July 20, TCEQ is tracking 40 drinking water systems that are on a Boil Water Notice (BWN) serving a population of 35,640. TCEQ is tracking one wastewater treatment facility that is non-operational.

TCEQ has created Hurricane Beryl Response link on the agency webpage: <https://www.tceq.texas.gov/response/hurricanes/hurricane-beryl>

Texas Department of Public Safety (DPS): DPS is providing resources in support of Hurricane Beryl and Texas Highway Patrol (THP) are actively monitoring traffic patterns and conditions. DPS in Corpus Christi, Weslaco, and the McAllen Border Districts reported THP will be staffing the Disaster District Emergency Operations Centers (DDEOC). In Houston, DPS personnel are staffing the DDEOC and THP is monitoring traffic and roadway conditions. DPS in Conroe and Rosenberg will assist with staffing the DDEOC in Beaumont. THP continues to staff the DDEOC in Victoria. DPS in San Antonio received a request to assist with conducting Level 1 bus inspections for potential evacuations. DPS Aviation repositioned a helicopter from Austin to Houston on July 9. DPS Aviation has helicopters, with hoist capabilities and rescue specialist, in Houston, Dallas, San Antonio, and Edinburg are available. Personnel are coordinating at the Houston DDEOC.

DPS Director McCraw issued an emergency declaration, a [Suspension of Motor Carrier Vehicle Hours and Service Requirements](#).

Texas Department of State Health Services (DSHS): The State Medical Operations Center (SMOC) is activated with 35 people supporting impacted areas of Southeast Texas. DSHS continues to work with the Catastrophic Medical Operations Center (CMOC) and Emergency Medical Task Force (EMTF) on resource requirements to support facilities in the impacted areas. There is one health care

facility in the Houston area on internal disaster. EMTF resources continue to assist at Houston area hospitals with receiving and providing basic care to patients arriving by ambulance while waiting for a bed. Four End Stage Renal Disease facilities are closed in Houston and Fulshear areas, with two on diversion status in Houston and Tyler areas. There are no unmet needs or resources required for these locations. DSHS continues to support oxygen at the NRG staging area and has deployed equipment for hospitals and local general population sheltering operations.

As of July 19, NRG medical shelter has a census of five people and is expected to demobilize. A total of 150 guests have been admitted into the medical shelter since it opened. DSHS has received a request for mosquito abatement and is working with Brazoria, Galveston, Fort Bend, Liberty, Matagorda, Montgomery, and Wharton counties.

EMTF has completed to date the following missions: 1,782 total encounters, 1,012 treated, 843 transported.

Texas Department of Transportation (TxDOT): TxDOT is providing portable message boards to support TDEM's NRG Stadium medical site. TxDOT is providing the vacant Brazoria Maintenance facility yard for generator mission. TxDOT engineers met with City of Lake Jackson to provide their expertise. TxDOT is working on State of Texas Assistance Requests (STAR) to clear debris in drainage ditches in Jamaica Beach and coordinate the repairs of signs and traffic signals in Galveston.

Texas Health and Human Services Commission (HHSC): HHSC has activated contingency contracts for ice and water to support the resource staging area (RSA) and has purchased 117 truckloads of ice and 124 truckloads of water as of July 14.

HHSC has received federal approval allowing recipients of the Supplemental Nutrition Assistance Program (SNAP) to apply for replacement benefits. The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) is replacing food and formula benefits lost during the hurricane.

HHSC Disaster Behavioral Health Coordination has reached out to Local Mental and Behavioral Health Authorities (LMHA) in the anticipated impacted areas. The results are below.

- Nursing Facilities: [105 facilities fully operational](#) and one facility is running on generators.
- Assisted Living Facilities: [279 facilities are fully operational](#) and [three facilities have relocated](#).

- Intermediate Care Facility for Individuals with an Intellectual Disability (ICF/IID): One facility has relocated due to power outage. One facility has relocated due to structural damage. There are 69 facilities fully operational.
- Home and Community-Based Services (HCS): [Three](#) homes have relocated. Two providers have had contact attempts made within the last 24 hours and pending responses. There are [182](#) homes that are fully operational.

Texas Military Department (TMD): TMD is supporting state agency partners. TMD has activated up to 106 personnel in support of 24-0016 06JUL Tropical Weather.

Texas Parks and Wildlife Department (TPWD): TPWD prepared a strike team consisting of 14 Game Wardens, 14 4x4 vehicles, one airboat, and five shallow running boats. An additional Incident Command Unit (ICU), one bulk fuel trailer, one cargo trailer, and one radio trailer were made available in Houston. TPWD continues to work closely with TDEM to ensure SAR resources and first responders are available. All TPWD resources returned to normal operations on July 9.

Federal Agencies

Navy Region Southeast (Corpus Christi): The Commander ordered the Tropical Cyclone Condition of Readiness Three for the Coastal Bend area to the Mexican Border.

United States Coast Guard (USCG) Port of Corpus Christi: The USCG Captain of the Port (COTP) set Port Condition Zulu on July 5 from the Colorado Locks to the U.S.-Mexico border, including the Port of Corpus Christi.

United States Coast Guard (USCG) Sector Houston-Galveston: USCG COTP rescinded Port Conditions on July 11 for the ports of Houston, Galveston, Freeport, Texas City, and the Gulf Intracoastal Waterway from the Colorado Locks going east to High Island Bridge.

Volunteer Organizations Active in Disasters (VOAD)

American Red Cross (ARC): ARC continues to support shelter, cooling center and supply requests. Open shelters can be located on the Red Cross [Find Open Shelters](#) website.

[On July 20, ARC continues to support shelter and supply requests. ARC Disaster Damage Assessments are nearly complete, mobile feeding operations are almost finished, and Distributed Emergency Supplies \(DES\) has been completed. ARC has six shelters open with a population of 221 clients, 26 pets, and three service dogs. As of July 20, 84,435 meals have been served, 1,350 snacks distributed, 220 cases of water delivered, and \[6,941\]\(#\) home damage assessments performed.](#)

Southern Baptists of Texas Convention (SBTC): SBTC and out of state partners are responding to recovery needs, primarily chainsaws, in Jasper, Spring, and Texarkana. SBTC is supporting a shelter at the Galveston County Fairgrounds with a shower unit. To date, SBTC has provided 15,211 meals and 91 showers, and dedicated 1100 volunteer hours.

Texans on Mission (TOM):

To date, TOM has provided 63,423 meals and 48,456 bottles of water, 702 showers, and 701 loads of laundry. TOM has completed 100 assessments, 232 chainsaw and heavy equipment jobs, and four temporary roofs for a total of 9,247 volunteer hours.

The Salvation Army (TSA): TSA has one Incident Management Team (IMT) activated, in conjunction with SBTC and Texans on Mission (TOM) to provide field kitchens and disaster support teams in Harris County. IMT operations in Wharton concluded at the end of day, July 14.

TSA has 17 feeding units serving meals in Brazoria, Harris, and Montgomery Counties. Field kitchen operations in Houston anticipate 8,000-8,500 daily. To date, TSA has provided 93,775 meals, 73,973 drinks, and 11,973 snacks.
