## RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

### STATE RESOURCES COMMITTED

#### **Texas Division of Emergency Management, Texas A&M University System (TDEM):**

##### **Incident Support Task Force (ISTF):**

The ISTF is on standby.

##### **Mass Care:**

As of [January 21](#), [478](#) warming centers and [192](#) general population shelters were opened. Warming centers continue to open in expectation of the cold weather. Cots, Water, MREs, and blankets are being requested and filled via the State of Texas Assistance Request (STAR) process. Food Bank Feeding continues under normal operations.

##### **Texas A&M AgriLife Extension Service (AgriLife):**

Two AgriLife SOC liaisons are monitoring weather conditions and SOC response activity in person for 24-hour coverage. DAR agents and County Extension Strike Team members are on standby to support any efforts associated with animal response or other winter weather response efforts as requested.

AgriLife Marketing and Communications has distributed preparedness information and educational resources to support county agents, specialists, and agency communications channels in preparation for winter weather. AgriLife Marketing and Communications has provided updated information through the agency's social media channels as well as our county agent network to support local governments and constituents with preparedness education/resources. The DAR Public Information Officer continues to participate in weather calls and represented AgriLife Extension on the State Communications Council providing updates on messaging, social media outreach, and other communications needs.

[There are 26 Disaster Assessment Recovery \(DAR\) agents on standby to support ESF-11 \(Agriculture and Natural Resources\) and with response and recovery efforts. There are seven AgriLife extension service representatives monitoring the six DDEOC activations across the state and six AgriLife liaisons are supporting the DD 16 and DD 18 activations.](#)

##### **Texas A&M Engineering Extension Service (TEEX) Texas A&M Public Works Response Team (PWRT):**

PWRT has a roster of individuals available to assist any local or state requests for assistance. Two (2) members have also been deployed to DDEOC 16 to support 24-hour operations of ESF 3.

**Texas A&M Forest Service (TAMFS):**

TAMFS has heavy equipment, operators, and overhead available to support TDEM Regions 3, 4, 7, and 8. Liaisons are at DDEOCs 14 and 16.

**Public Utility Commission of Texas (PUC):**

Utilities across the state have been preparing for several days in anticipation of the winter weather threat. ERCOT expects to have sufficient power to meet demand throughout the event and the PUC and ERCOT will continue to monitor the weather and provide updates as we have them.

On January 21, approximately 48,000 customers were without power in the morning, and this number decreased to 17,000 customers by the afternoon, with Hidalgo, Brazoria, Nueces, and Jim Hogg counties being the primary affected areas. The majority of the power restorations are expected to be completed today.

**Texas Animal Health Commission (TAHC):**

The Texas Animal Health Commission (TAHC) began staffing the SOC on January 20, 2025, and has been communicating weather awareness with regional offices and field staff regarding office closures due to the holiday and winter weather. The agency is also monitoring sale barn closures, as these impact our daily field operations, and messaging preparedness information on protecting animals in extreme weather on our website and social media pages.

Livestock inspectors are positioned across the state connecting with local animal response partners and maintaining situational awareness to address animal issues, as needed. TAHC continues to monitor weather forecasts, communicate with ESF11 support agencies, and is maintaining a readiness posture to respond to any requests for assistance. Currently, there have been no reports of animal issues, no animal emergency shelters, and no unmet needs.

**Texas Commission on Environmental Quality (TCEQ):**

As of January 21, TCEQ is currently tracking three drinking water systems that are on a Boil Water Notices (BWN) and one drinking water system that is non-operational. TCEQ has agency staff and emergency response contractors to assist with air, water, waste, drinking water/wastewater and emergency response activities on standby.

**Texas Department of Information Resources (DIR):**

DIR is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified, and there are no requests for network or technology.

**Texas Department of Public Safety (DPS):**

Texas Department of Public Safety is actively supporting the state's response to the ongoing winter weather event across multiple DPS Districts, patrolling roadways, monitoring traffic, and assessing road conditions. DPS stands by ready to respond to requests for assistance due to severe weather.

**Texas Department of State Health Services (DSHS):**

DSHS operations centers are on limited activation and Public Health Regions (PHR) are also supporting DDEOCs throughout their region. The Catastrophic Medical Operations Center (CMOC) activated to Level II on January 20 at noon. CMOC staff are supporting activated DDEOCs 14 and 15 and Harris County Office of Emergency Management (OEM) to provide medical support as needed. PHR 6/5S has two staff supporting DDEOCs 14 and 15.

[As of January 21, 34 dialysis centers have reported closures. Christus Jasper Memorial Hospital has reported an internal disaster due to the heat not working.](#)

**Texas Emergency Medical Task Force (EMTF):**

EMTFs 1, 6, 7, 8, and 11 are on standby with EMTF 2 serving as backup.

**Texas Department of Transportation (TxDOT):**

As of 1:00pm on January 21, over 1,300 state-maintained roads were being impacted by ice/snow.

As of 2:49 AM on January 21, 462 roads were affected by winter weather, with two roads closed.

TxDOT and local EOCs statewide stood up on January 20 to support 24-hour shift work. TxDOT crews were out pre- and re-treating roads, bridges, and overpasses over the weekend and will be out throughout the event.

TxDOT northern districts deployed to support TxDOT central & southern districts.

Coordinated with Texas A&M Forest Service and Texas Military Department to provide additional support along major highway corridors.

[As of January 22, approximately 630 state-maintained roads have been impacted by the snow and ice. TxDOT has personnel supporting the TxDOT EOCs, local EOCs, and the SOC. There have been over 2,600 personnel with 2,000 vehicles deployed to plow, treat, and patrol state roadways. Over 683,000 gallons of brine have been distributed on state roadways since January 19.](#)

**Texas Military Department (TMD):**

TMD has six Winter Weather MRPs and one BNMC MRP to assist stranded motorists and conduct welfare checks on selected motorways. The WW MRPs will be staged in College Station, Orange, Houston, Victoria, Kerrville, and Alice. The BNMC is in Fort Worth. Military District Coordinators (MDC) have been activated for DDEOCs 15 and 16. The SOC Support Team is supporting the State Operations Center winter weather operations in Austin.

TMD has activated up to 141 personnel and 54 vehicles.

### **Texas Parks and Wildlife Department (TPWD):**

TPWD has prepared department resources consisting of Texas Game Wardens and State Park Police Officers ready to support as needed in response to the severe winter weather threats throughout the State. TPWD continues to work closely with TDEM and other state/federal partners through the State Operations Center to ensure TPWD resources and first responders are available. TPWD personnel are continuously advised of the current weather conditions and maintain a state of readiness.

As of January 21, TPWD has closed multiple offices and parks due to winter weather conditions. The La Marque, North and South Houston, Beaumont, College Station, Laredo, Kerrville, San Antonio, Temple, Victoria, Rockport, Corpus Christi, Brownsville, and Austin Headquarters offices along with the Sheldon Lake State Park are closed.

### **Volunteer Organizations Active in Disasters (VOAD)**

#### **American Red Cross (ARC):**

As of January 21, ARC has five shelters open and there are also nine partner shelters open, that have housed a total of 153 residents. ARC shelters are located at the Kingwood First Baptist in Kingwood, the Tom Bass Community Center in Houston, the Bayland Community Center in Houston, the Orange Church of God in Orange, and the San Jacinto Church Baytown.

The partner shelters are located at the Attack Poverty-Friends of North Rosenberg in Rosenberg, the Leon Grayson and Felix Baldree Community Center in Houston, the HM King Early College High School (FEMA Dome) in Kingsville, the PSJA Collegiate School of Health Professions Shelter in San Juan, the Jaime Escalante Middle School Shelter in Pharr, the Robstown Community Center in Robstown, the Corpus Christi Natatorium in Corpus Christi, the Bayside Community Church in Port Lavaca, and the Jesus "Jesse" Vela, Jr. Middle School Shelter in Alamo

#### **Texans on Mission (TXM):**

TXM is assisting with breakfast and dinner meals for warming shelters in the Dallas area. To date, TXM has 268 volunteer hours and has provided 6,300 meals, 17 showers, and five laundry services.

**The Salvation Army (TSA):**

TSA [locations with warming center services](#) will operate according to local protocols and procedures. TSA Houston Area Command has provided Outreach Teams to the Fonde Community Center warming operations.
