**STATEWIDE CURRENT SITUATION:** On March 13, Governor Abbott [announced](#) that he directed TDEM to activate additional state emergency response resources in anticipation of extremely critical wildfire danger expected across West Texas and ongoing elevated-to-critical fire weather conditions across most of the state into the weekend.

On March 7, Governor Abbott [announced](#) that he directed TDEM to request officials from the U.S. Small Business Administration (SBA) join state and local partners to conduct joint preliminary damage assessments in South Texas communities impacted by recent wildfires. These assessments will aid in determining whether Texas meets the threshold for additional federal disaster assistance.

On March 5, Governor Abbott [announced](#) that the Federal Emergency Management Agency (FEMA) approved the state's request for Fire Management Assistance Grants for the Welder Fire in San Patricio County and the Duke Fire in Bexar County.

On March 4, Governor Abbott [directed](#) the Texas Division of Emergency Management (TDEM) to elevate the readiness level of the Texas State Emergency Operations Center (SOC) to Level II (Escalated Response Conditions) as the state braced for extremely critical wildfire conditions and severe weather threats. The Governor also added 33 counties to the state's wildfire disaster declaration, which now totals 236 counties impacted by increased fire weather conditions.

## **RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS**

### **Texas Division of Emergency Management, Texas A&M University System (TDEM):**

**Mass Care:** TDEM partners are adapting to the evolving conditions and are ensuring community needs are met while prioritizing safety. Local agencies continue to support feeding and assess recovery efforts as it transitions to community resources to meet the needs of residents.

**Texas A&M AgriLife Extension Service (AgriLife):** SOC Liaisons maintain daily communication with ESF 11 partners for situational awareness and needs assessment.

Disaster Assessment and Recovery (DAR) specialists and County Extension Deployment Team members are on standby to support any ESF 11 efforts associated with animal response or other fire weather response efforts as requested.

**Texas A&M Forest Service (TAMFS):** TAMFS has firefighting resources positioned in all TDEM Regions. Air Tankers, Attack helicopter aircraft, Single Engine Airtankers (SEAT), heavy equipment and engines are positioned throughout the state. TAMFS has activated the Emergency Operations Center (EOC) in College Station. Texas Intrastate Fire Mutual Aid System (TIFMAS) strike teams are in Amarillo, Lubbock, Merkel, San Angelo, Ozona, Brownwood, Kerrville, Silverton, Burkburnett, Childress, Waco, McGregor, Uvalde, Alice, and Beeville.

For information about active and recently contained wildfires, visit the Texas A&M Forest Service Incident Viewer: <https://public.tfswildfires.com/>. For information about the Current Wildfire Situation, visit <https://tfsweb.tamu.edu/CurrentSituation>.

**Texas Military Department (TMD):** TMD is providing direct support to TAMFS with aerial fire suppression capability in response to critical fire weather. TMD has staged two Medium MRP with four UH-60 helicopters in San Antonio, and one Heavy MRP with two CH-47 Chinook helicopters in Grand Prairie, both with crews. A SOC Support Team has been assigned to Austin. As of March 11, TMD Rotary Wing aircraft have flown a total of **42 hours** and dropped a total of **122 buckets** for a total of **68,630 gallons** of water. TMD has activated 31 personnel and six aircraft in support of this incident.

**Texas Parks and Wildlife Department (TPWD):** TPWD has the following Statewide resources available to support, one LNO to the SOC, one helicopter in Austin, State Game Wardens, and State Park Police Officers, and All-Terrain Vehicles. TPWD Aviation responded to the Onion Creek Wildfire in Hays County and successfully made 18 water bucket drops (2,070 gallons of water).

**Texas Department of Information Resources (DIR):** DIR is continuing to monitor the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified. No requests for network or technology have been made.

**Texas Department of Transportation (TxDOT):** **As of March 14, eight highways were closed due to fire weather conditions and evacuations were conducted in two separate counties. TxDOT started sharing Extreme Wildfire messaging on DMS road signage and on social media.**

**Texas Department of State Health Services (DSHS):** DSHS is currently monitoring the situation and ready to deploy resources and respond as the incident requires. DSHS has two LNOs assigned to the SOC.

**Texas Emergency Medical Task Force (EMTF):** EMTF has activated 40 personnel and 26 assets for this incident.

**American Red Cross (ARC):** Volunteers have completed damage assessments in Sinton and have identified over 100 affected homes. North Texas teams assessed damage to over 119 homes and have provided disaster emergency supplies.

**The Salvation Army (TSA):** On March 5, TSA of San Antonio Rapid Response unit supported first responders for the Calaveras fire with 176 meals, 75 snacks, and 103 drinks. TSA of Beeville supported first responders and those affected by the Welder Complex fires by providing food, snacks, and water. The Beeville Service Unit is supporting those affected by the Welder Fires in Sinton by providing meals in coordination with the local Baptist Church.
