STATEWIDE CURRENT SITUATION: On March 31, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to request that Federal Emergency Management Agency (FEMA) officials join state and local partners in conducting joint preliminary damage assessments in South Texas communities impacted by recent flooding. These assessments will help determine whether Texas meets the federal thresholds for disaster assistance.

On March 29, Governor Greg Abbott issued a disaster declaration for four South Texas counties impacted by rainfall and flooding that continues to affect homes, businesses, and the agricultural industry throughout the region. The counties included in the Governor's declaration are Cameron, Hidalgo, Starr, and Willacy. Additional counties may be added as conditions warrant.

On March 26, Governor Greg Abbott directed the Texas Division of Emergency Management (TDEM) to activate state emergency response resources ahead of increased threats of severe weather and flash flooding in large areas of the state through the weekend.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

Incident Support Task Force (ISTF): ISTF Members are rostered and prepared to deploy in support of the incident as early as Monday preparation for assignments are underway. Efforts remain focused on aligning partner activities to meet identified needs and support the recovery of affected communities effectively. The ISTF Regional Voluntary Agency Liaison (VAL) team is actively supporting community response and identifying key recovery needs, such as food access, debris removal, and muck-outs.

As of April 1, sheltering operations have decreased to one active site, currently housing 13 individuals. Mass Care Feeding has 10 mobile sites consisting of The Salvation Army, World Central Kitchen, and local communities that have provided 8,850 meals.

Communications Coordination Group (CCG): There have been minor impacts to cell sites in certain areas. The Commission on State Emergency Communications (CSEC)

has contacted Public Safety Answering Points (PSAPs) supporting the South Texas region to help if needed. Additionally, DPS Communications and the Statewide Interoperable Communication Office (SWIC) are actively monitoring the situation and remain on standby to provide support upon request. The Texas Division of Emergency Management (TDEM) has been overseeing Alerts & Public Warning / IPAWS messages throughout the event, while National Weather Service (NWS) offices have issued weather alerts and warnings via Wireless Emergency Alerts (WEA) to cellphones in the affected areas.

Texas A&M AgriLife Extension Service (AgriLife): As of April 2, 4 DAR Specialists remain for damage assessment and 1 DAR Specialist remains for logistical support in McAllen. The AgriLife Public Information Officer is developing an AgriLife Today story outlining steps for documenting losses, mosquito awareness and protection, and distributing information through social media channels. Additionally, they are coordinating messaging with partners and responding to media inquiries.

Texas A&M Engineering Extension Service (TEEX) Texas A&M Task Force 1 (TX-TF1) and TX-TF3: On March 31, one Swift Water Boat Squad and one Water Group Supervisor package were demobilized. On March 31, WS-RGV conducted multiple evacuations in the Green Valley area throughout the current and previous reporting periods. TX-TF teams conducted 15 evacuations and no rescues. TX-TF teams have conducted a total of 68 evacuations, rescued five individuals, and evacuated 41 pets/animals during the incident. On March 30, WS-RGV conducted a water rescue, safely extracting two individuals from a vehicle that was taking on water and coordinating their transport to a local shelter. There are currently 21 TX-TF1 personnel supporting this incident.

Texas A&M Forest Service (TAMFS): As of March 30, two (2) Texas Intrastate Fire Mutual Aid System (TIFMAS) Strike Teams remain in Region 5. The Texas A&M Forest Service and TIFMAS are prepared to support additional requests for assistance.

Texas Department of Public Safety (TXDPS): TXDPS is actively supporting the state's response to the ongoing severe weather event across multiple DPS Districts, patrolling roadways, monitoring traffic, and assessing road conditions.

DPS Aircraft Operations Division's Unmanned Aircraft System received a request from TDEM's Operations Technology Division to conduct aerial assessments for damage in Willacy, Hidalgo, Starr, and Cameron Counties. A DPS Aircraft equipped with a hoist was deployed to aid in the rescue efforts.

Texas Department of Transportation (TxDOT): TxDOT crews continue to remove debris & clear drainage, provide traffic control, and repair damage roadways. Valley International Airport in Harlingen re-opened and is fully functional. TxDOT Amarillo and Lubbock districts are staffing DDEOC's in the Panhandle due to increased fire threats. TxDOT crews and emergency staff are rostered and ready to respond statewide.

TxDOT Pharr Headquarters is supporting TDEM operations by providing a staging area for the water pumps and for the emergency fuel contractor handling dewatering operations. TxDOT is staffing the State Operations Center during the activation. As of April 2, TxDOT has seven (7) state-maintained roads locations closed due to flooding in Region 5 and 10 other road locations still impacted by floodwaters.

Texas Parks and Wildlife Department (TPWD): On March 31, TPWD Unmanned Aerial System (UAS) assisted with flood surveys, delivered medications and supplies to families, and assisted with 17 evacuations, including pets. The TPWD has assigned two liaisons to the State Operations Center (SOC) and two to DDEOC 21. TPWD has statewide resources activated that includes a helicopter based in Austin, State Game Wardens, State Park Police Officers, Search and Rescue (SAR) boat teams, all-terrain vehicles, 4x4 vehicles, and swift water or shallow-running boats. Additionally, one UAS has been deployed in Hidalgo and Willacy counties.

Texas Department of State Health Services (DSHS): On March 31, one SWX PKG and one Medical Incident Support Team (MIST) were demobilized, one Severe Weather Package (SWX PKG) is supporting Cameron County, with an additional Light Ambulance Strike Team (AST) in Harlingen supporting Hidalgo County. EMTF 6 has one SWX Package on standby due to excessive rainfall.

Texas Emergency Medical Task Force (EMTF): On April 2, EMTF teams treated 11 individuals and transported 4 individuals. EMTF teams have treated 81 individuals and transported 65 individuals during the incident. As of April 2, EMTF 7 is on awareness, while EMTF 2 and EMTF 4 have SWX Packages on standby. One SWX Package is actively supporting Cameron County.

Texas Military Department (TMD): As of April 2, TMD has activated two Ground Transportation Platoons staged in Harlingen, an LNO supporting the TDEM IMT in McAllen, and a SOC Support Team in Austin for the severe weather response.
