STATEWIDE CURRENT SITUATION: The Texas State Emergency Operations Center remains activated at Level II (Escalated Response) and additional state emergency response resources remain engaged in support of local officials as portions of West and Central Texas prepare for continued heavy rainfall and flash flooding threats through the holiday weekend.

On July 4, Governor Greg Abbott issued a state disaster declaration for 15 counties affected by this incident.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management (TDEM):

Incident Support Task Force (ISTF):

ISTF members have been deployed to TDEM Region 5. The ISTF Regional Volunteer Agency Liaison (VAL) team is supporting community response and identifying key recovery needs, such as food access, debris removal, and muck-outs. There have been 1,300 requests for Volunteer Organizations Active in Disasters (VOAD) cleanup assistance have been submitted through iSTAT.

Mass Care:

Shelters and reunifications centers have started being set up today. There will not be an official count of shelter activities until tomorrow morning. VOADs are reaching out to support feeding and are on standby for supplies and clean up. Feeding Operations continue to scale with anticipated needs. There are currently 10 feeding sites, fixed and mobile, that have served a total of 8,850 meals as of July 4.

Texas A&M AgriLife Extension Service (AgriLife):

AgriLife Disaster Assessment and Recovery (DAR) Unit is monitoring the flooding in Tom Green and Kerrville Counties. AgriLife DAR Agents have disseminated weather information and have been in contact with officials in the affected counties. AgriLife has a SOC Liaison at the SOC.

The Gillespie County AgriLife office is being used by Texas Parks and Wildlife Department (TPWD) for staging. Additionally, a Type 3 Veterinary Emergency Team and two DAR agents have been requested to assist Texas Task Force 1 (TX-TF1) and TX-TF2 with 12 Search and Rescue (SAR) canines.

The AgriLife facility in San Angelo is open to evacuees and a local church has been identified to transfer the evacuees from the AgriLife facility to the church.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

TX-TF1 is working closely with local responders and state partners and has over 150 personnel and 30 rescue boats locating, rescuing, and evacuating survivors from floods and swift water in TDEM Regions 1, 6 and 7. Calls for service started at 4:00 a.m. and increased throughout the morning. TMD helicopters and TX-TF1 rescue swimmers went online at 8:30 a.m. in Austin and 9:00 a.m. in Martindale. The UH-60s tried to access the Guadalupe River summer camp sites but were turned back due to limited visibility. At noon, the weather cleared enough to allow helicopters to start evacuating and rescuing people from the banks of the Guadalupe River near Hunt. TX-TF1 has conducted 20 rescues and 120 evacuations.

TEEX activated seven Texas A&M Task Force 1 Type 3 Swiftwater/Flood Rescue Teams consisting of six personnel and two inflatable rescue boats each. A Water Group Supervisor (WGS) Package with two personnel coordinates the TX-TF1 SAR response to assist with any search and rescue incidents related to the forecasted potential severe

weather and flooding forecasted within the State. Five of the teams and the WGS were prepositioned on July 3.

Texas A&M Forest Service (TAMFS):

TAMFS has activated one All-Hazard Strike Team, and two Saw Teams staged at Lancer Warehouse. There are two Liaison Officers (LNO's) at SOC, one LNO and one Staging Area Manager (STAM) with the Incident Management Team (IMT). TAMFS has sent six personnel to assist with logistics and coordination in Disaster District Emergency Operations (DDEOC) 10. The TAMFS Taskforce from Alice is transporting a Bearcat from Laredo to Kerrville.

Public Utility Commission of Texas (PUC)

PUC has two LNO's assigned to the SOC and will support 24-hour operations if needed.

Texas Commission on Environmental Quality (TCEQ):

TCEQ has staff available to respond to any air/water/waste related issues, drinking water/wastewater issues, and emergency response.

Texas Department of Public Safety (DPS):

DPS has personnel actively responding in support of the increased severe weather threat and flooding in Kerr County. Resources are deployed from the San Antonio District to include Troopers from the Texas Highway Patrol (THP), Criminal Investigation Division (CID) agents, Texas Rangers - Special Response Team, and Aviation assets from across the state. The THP Chief's office is providing SOC support.

As of July 4, THP, CID, DPS Aircraft, Public Information officer (PIO), and Texas Rangers from the Central Texas Region responded to the Kerr County area to assist with evacuation operations due to the flooding. Troopers are being assigned to provide traffic control, manage road closures, and work at the Disaster Mortuary (DMORT). Troopers are also providing security at a funeral home in Kerrville. DPS CID are assisting with processing and badging evacuees at a reunification center and two shelters located in Kerr County.

San Antonio Commercial Vehicle Enforcement (CVE) Troopers are conducting bus inspections at the Lancer Warehouse to ensure safety and readiness of buses for transportation operations.

Aviation assisted with rescues and hoist operations in impacted areas. An Aviation Captain was deployed to the SOC for Air/Ground Coordination along with other representatives who have air assets engaged in the response.

Texas Department of State Health Services (DSHS):

A SOC Coordination Officer (SCO) and (LNO) have been sent to the SOC and the State Medical Operations Center (SMOC) has activated for 24-hour operations. DSHS

initiated mortality surveillance operations and Public Health Region 8 is deploying one Mortuary Enhanced Remains Cooling System and Morgue trailer to support with fatality management. Emergency Medical Task Force (EMTF) has activated multiple assets for this incident.

Southwest Texas Regional Advisory Council (STRAC) deployed two Mortuary Enhanced Remains Cooling System, and the San Antonio Regional Medical Operations Center has been activated to support operations.

Texas Department of Transportation (TxDOT):

As of July 5, TxDOT has 30 locations on state-maintained roads impacted by floodwaters in the El Paso and Odessa Districts. An additional 35 locations are closed across the Austin, Brownwood, Lubbock, San Angelo, and San Antonio Districts due to highwater.

TxDOT crews have been monitoring roads, clearing debris, cleaning drainage areas, and providing traffic control. State Highway (SH) 29 in Burnet County has reopened, and temporary main-lane closures were in place the last several days to provide egress to firefighting equipment. TxDOT crews and emergency staff are rostered and are on standby to respond. TxDOT has 24/7 staffing in the SOC.

Texas Health and Human Services Commission (HHSC):

Texas HHSC sent staff to the SOC and personnel will remain for the duration of the incident. The Longterm Care Regulation section reports no impacted facilities. The Kerrville State Hospital reports no major impacts. Ice, water, and freight vendors are on standby to respond as needed.

Texas Military Department (TMD):

TMD has activated two Ground Transportation Platoons (GTP), 3.5 Rotary Wing Medium MRPs, a SOC Support Team, Air Operations Center Representatives, a Rotary Wing Heavy MRP, a Tactical Air Control Party (TACP), two Shelter Teams, and two Electronic Tracking Network (ETN) Teams have been activated. TMD has activated 126 personnel, nine vehicles, and eight aircraft.

Texas Parks and Wildlife Department (TPWD):

TPWD has Texas Game Wardens and State Park Police Officers prepared to respond and support operations. TPWD has the following resources available: two liaisons at the SOC, two helicopters in Austin, State Game Wardens and State Park Police Officers, Search and Rescue (SAR) Boat Teams, and All-Terrain Vehicles.

American Red Cross (ARC):

The ARC has shelters open in Concho, Kerr, San Saba, and Tom Green Counties. Concho County: The Paint Rock Shelter at the Concho County Courthouse, 152 N. Roberts Ave, Paint Rock, TX 76866. Kerr County: The First United Methodist Church (Shelter with Medical Support), 321 Thompson Drive, Kerrville, TX, and Calvary Temple

Church 3000 Loop 534, Kerrville, TX. San Saba County: The San Saba Convention Center, 113 S. High St., San Saba, TX 76877. Tom Green County: The Clarion Hotel (No Pets Authorized), 441 Rio Concho Dr., Bldg. A San Angelo, TX 76903, and the Red Roof Inn (Pet Shelter), 4205 S. Bryant Blvd, San Angelo, TX 76903.

The ARC has distributed 480 bottles of water, 200 Comfort Kits, 226 cots, and 270 blankets.
