

Texas Division of Emergency Management State Situation Report

New Information is in Blue Text

Event Name	25-0026 02JUL Severe Weather
Date	July 8, 2025
Time	10:00 AM
Operational Period	8:00 AM July 7, 2025, to 8:00 AM July 8, 2025
Report Number	5

Regions Affected	
TDEM Regions Affected	1, 6, 7, 8
DDs Active	10, 12, 18, & 23

STATEWIDE CURRENT SITUATION:

Governor Abbott today provided an update on additional state emergency response resources that have been activated in response to the ongoing heavy rainfall and flooding that have impacted Texas communities.

Under Governor Abbott's direction, the Texas State Operations Center (SOC) remains at Level II (Escalated Response) to support requests for assistance from local officials as they keep responding to the excessive rainfall and flooding which began last week and continues to impact the state.

According to the National Weather Service, rain with potential to cause flooding is anticipated for large portions of the state including Central Texas, the Hill Country, Big Country, and the Concho Valley over the next couple of days. Texans are urged to monitor local forecast information.

On July 6, Governor Abbott announced that President Donald J. Trump approved federal disaster assistance as part of a Major Disaster Declaration, following deadly and destructive flooding that impacted Texas this past week.

The Governor directed the Texas Division of Emergency Management (TDEM) to formally request that FEMA officials join state and local partners in conducting joint preliminary damage assessments in Kerr County.

Officials continue to review disaster damage information self-reported by Texans through TDEM's Individual State of Texas Assessment Tool (iSTAT) damage survey. When it is safe to do so, impacted Texans are encouraged to submit information about damage to homes or businesses by visiting damage.tdem.texas.gov.

On July 5, Governor Greg Abbott held a press conference with the U.S. Department of Homeland Security (DHS) Secretary Kristi Noem to provide an update on the ongoing response to severe flooding impacting the Texas Hill Country. The Governor also expanded the number of counties included in his disaster declaration and requested a federal disaster declaration. Governor Abbott expanded the number of counties included in his disaster declaration and requested a federal disaster declaration.

On July 4, Governor Abbott provided an update during a press conference at the Hill Country Youth Event Center on Texas' response to severe flooding impacting Kerr County and surrounding communities.

On July 3, TDEM increased the readiness level of the Texas State Emergency Operations Center (SOC) to Level II (Escalated Response) and activated additional state emergency response resources as portions of West and Central Texas prepared for continued heavy rainfall and flash flooding threats heading into the holiday weekend.

On July 2, TDEM activated state emergency response resources in anticipation of increased threats of flooding in parts of West and Central Texas heading into the holiday weekend.

OPERATIONAL PRIORITIES:

- Protect life and property.
- Support rapid & effective response.
- Collect and disseminate accurate incident information to improve decision-making.
- Accurately track incident costs associated with assigned resources for cost recovery.

Region 6 (Includes DDs 17, 18, and 24)

DD 18 – New Braunfels (Includes Atascosa, Bandera, Bexar, Comal, Frio, Gillespie, Guadalupe, Karnes, Kendall, Kerr, McMullen, Medina, and Wilson Counties):

On July 6, Disaster District Emergency Operation Center (DDEOC) 18 moved to Level III. [As of July 7, TEEX PWRT teams are working on lift station issues from Kerrville to Comfort. Damage assessments are ongoing and multiple state agency Critical Incident Stress Management \(CISM\) Teams are on site. Discussions are on-going regarding Debris Management and establishing temporary debris sites.](#)

Comal County:

In Comal County evacuations were conducted along river road, below the Canyon Lake Dam. Heavy rains forced evacuations along the lower-lying homes of the Guadalupe River, but residents have been allowed to return home.

Guadalupe County:

In Guadalupe County, eight inches of rain fell early in the morning on July 5th. The rain caused flooding along the roadways and eight vehicles were flooded requiring water rescues.

Kendall County:

Individual State of Texas Assessment Tool (iSTAT) surveys have been completed in Kendall County.

Kerr County:

A family reunification center is located at Trinity Baptist Church on 800 Jackson Road in Kerrville. The American Red Cross has a shelter located at Calvary Baptist Church on 113 Methodist Encampment Road in Kerrville and a medical is located at Kerrville First United Methodist Church on 321 Thompson Drive in Kerrville.

40 Incident Support Task Force (ISTF) personnel are conducting damage assessments in Kerr County. The Volunteer Reception Center has been established and is located at Salvation Army Shelter on 855 Hays Street in Kerrville.

A Unified Command has been established, and the Incident Command Post (ICP) is located at the Hill Country Youth Event Center in Kerrville. The Maroon Incident Management Team (IMT) is coordinating to track personnel and working requests in support of the Kerr County Complex Incident. A Texas A&M Forest Service (TAMFS) CISM Team is on site for responders. Kerr County bridges are scheduled for infrastructure assessments tomorrow morning. A potential location for the Disaster Recovery Center (DRC) has been identified by Kerrville at Butt-Holdsworth Memorial Library.

Donations management is being bolstered with TDEM Incident Support Task Force (ISTF) personnel, and a warehouse has been identified. ISTF has met with Kerrville and Kerr County officials regarding debris management, potential locations of temporary debris sites, and search and rescue volunteer operations. ISTF is tracking shelters and reunification centers.

Region 7 (Includes DDs 8,9, and 10)**DD 10 – San Angelo (Includes Coke, Concho, Crockett, Irion, Kimble, Mason, McCulloch, Menard, Reagan, Schleicher, Sterling, Sutton, and Tom Green Counties)**

DDEOC 10 has activated to Level II.

Region 8 (Includes DDs 11, 12, 13, and 23)

DD 11 – Waco (Includes Bosque, Falls, Freestone, Hill, Limestone, and McLennan Counties):

On July 6, DDEOC 11 activated to Level III.

DD 12 – Austin (Includes Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, and Williamson Counties):

On July 5, DDEOC 12 activated to Level III. [DD-12 has shifted into recovery operations.](#)

Burnet County:

Crews from Travis County extended their response into Burnet County, where they coordinated with local responders, Texas Parks and Wildlife Department, Texas Task Force, and Texas Department of Public Safety boats to rescue dozens of people in Burnet, Marble Falls, and other areas of the county. Texas Task Force 2 (TTF2) is assisting with an area wide search in Burnet County on July 7.

Travis County:

Rainfall started in Travis County with water rescues reported early in the morning hours. Emergency Services Districts (ESDs) and Austin units managed the rescues. The city of Austin requested boat squads at approximately 3:00 AM due to neighborhoods being impacted by fast moving water. Travis County aviation assets worked directly with the SOC to dispatch local and state aircraft to assist TX-TF throughout the day.

Travis County requested a wide area search team to assist with recovery in a neighborhood where fatalities were reported. A Texas Task Force 2 (TX-TF 2) Type 3 team located in Llano was moved to Travis County to meet this need. [The Texas Department of Transportation \(TxDOT\) and Travis County engineers will have a meeting to discuss issues with the Big Sandy Bridge.](#)

Williamson County:

Flooding in Williamson County started in the Leander area, moved to Liberty Hill and to surrounding cities and communities. An apartment complex was evacuated along the San Gabriel River near downtown Georgetown due to rising waters. Numerous roads are closed in Williamson County due to damage from flooding and water on the roadways, with one railroad bridge destroyed. Several RV parks have been evacuated ahead of rising waters, and some evacuations were conducted with boats.

Texas Intrastate Fire Mutual Aid System (TIFMAS), Emergency Medical Task Force (EMTF), and Texas Division of Emergency Management will begin conducting Individual State of Texas Assessment Tool/ Public State of Texas Assessment Tool (iSTAT/pSTAT) surveys in Williamson County.

DD 23 – Killeen (Includes Bell, Coryell, Hamilton, Lampasas, Milam, Mills, and San Saba Counties):

On July 4, DDEOC 23 activated to Level III.

Hamilton County:

Hamilton County Sheriff requested assistance from the Oklahoma Task Force Boat Squad for a missing female on the Leon River.

San Saba County:

San Saba County continues to experience flooding due to the previous heavy rainfall. The San Saba Civic Center shelter has been closed.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management (TDEM):

Communications Coordination Group (CCG):

The Communications Coordination Group (CCG) and its partners are actively monitoring the situation and preparing resources for potential response. Public, private, and volunteer sectors are assessing and adjusting their resources as needed. The Commission on State Emergency Communications (CSEC) has contacted 9-1-1 centers in affected areas, confirming no current issues with 9-1-1 systems and coordinating requests for dispatch personnel.

Cellular providers are taking proactive measures: AT&T FirstNet has deployed a Cell on Wheels (COW) to San Saba and Kerrville, while Sprint-T-Mobile has two COWs on standby, and Verizon has SATCOLTs staged in Plano. Cellular providers have also offered cellphones, charging stations, and accessories for reunification centers and have implemented refueling/backup power operations. While some cell tower repairs are underway, overlapping coverage prevents major outage issues.

The Texas Department of Public Safety's Office of the Statewide Interoperable Communications (SWIC) is identifying available COMLs (Communications Unit Leaders) for potential support. Amateur Radio services have activated local nets, providing backup emergency communication and localized reports. Federal partners are monitoring and ready to assist upon request. Finally, the Texas Telecommunicator Emergency Response Taskforce (TXTERT) is monitoring the situation and rostering personnel to support dispatch centers if required.

As of July 7, there were seven mobile cellular platforms requested, and they are assigned to Kerr, Llano, and San Saba counties. Cellular service is stable. SWIC has supplied a COML to provide communications support.

Incident Support Task Force (ISTF):

ISTF members have been deployed to TDEM Region 5. ISTF Regional Volunteer Agency Liaison (VAL) team is supporting community response and identifying key recovery needs, such as food access, debris removal, and muck-outs. There have been 1,300 requests for Volunteer Organizations Active in Disasters (VOAD) cleanup assistance have been submitted through iSTAT. On July 5, five ISTF members deployed to the Kerrville area. ISTF has members rostered and pending a second wave deployment.

ESF- 6 Mass Care:

[As of July 7, seven shelter sites.](#) VOADs are reaching out to support feeding and are on standby for supplies and clean-up. Feeding Operations continue to scale with anticipated needs.

There are [12](#) feeding sites, fixed and mobile, that have served a total of [5,788](#) meals, 19 shelter sites are open with a population of 235, and 12 buses being utilized for transporting rescues. [There are four reunification centers are open in Kerrville: Schreiner University, Arcadia Live Theatre, Calvary Temple Church, and First United Methodist Church.](#)

Texas A&M AgriLife Extension Service (AgriLife):

AgriLife Disaster Assessment and Recovery (DAR) Unit is monitoring the flooding in Tom Green, Kerr, Bandera, Coke, Comal, Concho, Gillespie, Kendall, Kimble, Llano, Mason, McCulloch, Menard, Reeves, and San Saba Counties. AgriLife DAR Agents have disseminated weather information and have been in contact with officials in the affected counties. AgriLife has a SOC Liaison at the SOC. A DAR Area Chief has reported to the Incident Management Team (IMT) for assistance and another DAR Area Chief is assisting Red Cross in the city of San Saba. DAR PIO has been sharing weather safety information via social media channels and is working with other state agency partners with message delivery.

The Gillespie County AgriLife office is being used by Texas Parks and Wildlife Department (TPWD) for staging. AgriLife currently has two DAR agents assisting a Type 3 Vet Team in Kerr County. Evacuees from the Tom Green County flood that were at the AgriLife Extension & Research facility have been relocated to a nearby church. Texas A&M AgriLife Extension has sent 21 DAR Agents and County Extension Agents to support damage assessment efforts in Kerr County.

Texas A&M Engineering Extension Service Public Works Response Team (PWRT):

On July 7, PWRT members from Team 2 met with the City of Kerrville Public Works to identify tasks. The team members then split into three groups. Group 1 traveled to

Comfort to assist the Kendall County WCID with a generator repair. Group 2 visited the Surface Water Treatment Plant in Kerrville to perform further assessments. Group 3 stayed in the area to assist at Distribution/Collection sites. One member remains as the LNO at the IMT. PWRT continues to staff the SOC for 24 hours.

On July 5, PWRT was requested to send a team to Kerrville. The PWRT team arrived at the Kerrville IMT with plans to assist at the Surface Water Treatment Plant tomorrow.

PWRT members have arrived in Kerrville. This assessment of the Surface Water Treatment Plant found the raw water intake is out, chemical storage and equipment is destroyed, the disinfection process is out of service, and the security fence is destroyed. An additional PWRT team deployed to Kerrville on July 6 to begin lift assist operations.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1): TEEX activated seven Texas A&M Task Force 1 Type 3 Swiftwater/Flood Rescue Teams consisting of six personnel and two inflatable rescue boats each. A Water Group Supervisor (WGS) Package with two personnel coordinates the TX-TF1 SAR response to assist with any search and rescue incidents related to the forecasted potential severe weather and flooding forecasted within the State. Five of the teams and the WGS were prepositioned on July 3.

On July 5, TX-TF1 began operations in Burnet and Western Travis Counties. TX-TF1 and TX-TF2 have continued operations in Regions 6 and 8, conducting search and rescue operations and evacuations. TX-TF1 Water Squads and Water Group Supervisors have also pivoted resources to Comal and Guadalupe Counties due to heavy rainfall in the area. TX-TF1 & TX-TF2 have conducted a total of 312 evacuations, 43 rescues, and 40 calls of assistance from other first responders.

On July 6, Urban Search and Rescue (USAR), Oklahoma Task Force 1 & 2 (OK-TF1 & OK-TF2) and Louisiana Task Force 1 (LA-TF1) arrived at the SOC. Swift Water Rescue Boat Squads from Florida and Virginia, and a Canine Mission Ready Package from Tennessee are enroute. TX-TF1, TX-TF2, and TX-TF3 have continued to be engaged in mission assignments throughout Texas. Water Squad Dallas, Washington County, OK-TF1, and OK-TF2 repositioned to TDEM Region 2. As of July 6, there were 132 evacuations, 54 rescues, and 40 calls for assistance from first responder agencies.

[USAR Resources continue to be requested via Emergency Management Assistance Compact \(EMAC\). Water Squad Hurst/Haltom City, Gainesville, and Killeen deployed today to support requests for assistance in Kerr County. Resources assigned to the incident continue to be repositioned to support requests for assistance in the area of operations.](#)

Texas A&M Forest Service (TAMFS):

TAMFS has activated [six](#) All-Hazard Strike Teams, [14](#) Saw Teams, [three skid steers](#), and two mobile command posts. There are [three](#) Liaison Officers (LNO's) at the SOC, one LNO and one Staging Area Manager (STAM) with the Incident Management Team (IMT). [One PIO is enroute to San Angelo](#). TAMFS has sent six personnel to assist with logistics and coordination in Disaster District Emergency Operations (DDEOC) 10. The TAMFS Taskforce from Alice is transporting a Bearcat from Laredo to Kerrville. Two Saw Teams are engaged in Kerrville and five are enroute. An additional seven Saw Teams have been rostered and will arrive in Kerrville on July 6.

Department of Information Resources (DIR):

DIR is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified. [Management website at www.tdem.texas.gov/disasters/july-flooding-25-0026](#). To donate to the Kerr County Flood Relief Fund via the Community Foundation, a 501(c)(3) organization, visit [www.tinyurl.com/KerrFloodRelief](#).

Public Utility Commission of Texas (PUC)

[As of July 7, there are no significant statewide outages reported. One Liaison Officer remains assigned to the SOC.](#) The power outages are concentrated in the Oncor, CenterPoint, and Kerrville service areas. Oncor's estimated time of restoration is July 6, at 7:00PM. Restoration may be delayed due to terrain conditions and the potential for extensive repairs.

Texas Alcoholic Beverage Commission (TABC):

TABC is actively supporting the state's response to the severe weather event by supporting public safety and disaster recovery efforts. TABC continues to work closely with state and federal partners through the SOC to ensure TABC responds as needed.

[In Kerr County, the TABC Special Response Team \(SRT\) is conducting checkpoint operations. An additional SRT personnel are activated and enroute to Kerr County to assist DPS and Texas Parks and Wildlife Department \(TPWD\) with search and recovery operations. SRT personnel and a victim services coordinator are activated and on standby. Additional law enforcement personnel are available if needed.](#)

Texas Commission on Environmental Quality (TCEQ):

[As of July 7, TCEQ is tracking 12 drinking water systems that are on a Boil Water Notice \(BWN\) serving a population of 36,030.](#)

Texas Department of Agriculture (TDA):

[TDA has begun staffing personnel the SOC. A free and confidential Agri-Stress Helpline offers 24/7 support via call or text for those experiencing stress or loss. Trained](#)

professionals staff in the helpline to serve the agriculture, forestry, and fishing sectors to provide support and referrals to local mental health resources. The helpline has served over 285 Texans in 114 counties. Call or text 1-833-897-2474 for assistance.

TDA's Hay Hotline is open for those wishing to donate hay. Donors can register at <https://texasagriculture.gov/Home/Production-Agriculture/Hay-Hotline> and will be contacted if requests are received.

TDA's STAR (State of Texas Agriculture Relief) Fund is accepting applications from those who suffered agricultural losses from the recent weather. Funds may be used for rebuilding fences, restoring operations, and other disaster-related costs. Applicants in counties included in the Texas Governor's disaster declaration have 90 days from the proclamation date to apply. The deadline is November 4, 2025, at 11:59 p.m. Apply at <https://texasagriculture.gov/Home/Production-Agriculture/Disaster-Assistance/STAR-Fund/Severe-Weather>.

Through the Emergency Food Assistance Program (TEFAP), TDA food bank contractors distribute USDA-donated food to emergency feeding organizations. Texans can access this food via on-site meals or take-home packages.

Texas Department of Housing and Community Affairs (TDHCA):

TDHCA is supporting the state's response to the severe weather event by supporting its community partners at the local level and coordinating resources at the federal level. The following partners are collaborating with local officials to identify and assist impacted households with immediate needs: In Tom Green County, the Concho Valley Community Action Agency. In Kerr County, the Community Council of South-Central Texas. In Guadalupe County, the Community Council of South-Central Texas. In San Saba County, the Hill Country Community Action Association.

Texas Department of Public Safety (DPS):

DPS has over 200 personnel actively working to assist in support of rescue efforts. Resources are deployed from the San Antonio District to include Troopers from the Texas Highway Patrol (THP), Criminal Investigation Division (CID) agents, Texas Rangers - Special Response Team, and Aviation assets from across the state. The THP Chief's office is providing SOC support.

DPS personnel are working with state, local, and federal partners to assist in the search and recovery efforts. Troopers, Special Agents, Texas Rangers - Special Operation Group (SOG), Aviation, and Tactical Marine Units are actively conducting search and rescue operations.

As of July 4, THP, CID, DPS Aircraft, Public Information officer (PIO), and Texas Rangers from the Central Texas Region responded to the Kerr County area to assist with evacuation operations due to the flooding. Troopers are being assigned to provide traffic control, manage road closures, and work at the Disaster Mortuary (DMORT). Troopers are also providing security at a funeral home in Kerrville. DPS CID are assisting with processing and badging evacuees at a reunification center and two shelters located in Kerr County.

San Antonio Commercial Vehicle Enforcement (CVE) Troopers are conducting bus inspections at the Lancer Warehouse to ensure safety and readiness of buses for transportation operations.

Aviation assisted with rescues and hoist operations in impacted areas. An Aviation Captain was deployed to the SOC for Air/Ground Coordination along with other representatives who have air assets engaged in the response.

Infrastructure Operations Division (IOD) personnel with Victim and Employee Support Services (VESS) responded to Kerrville. Texas Rangers and VESS are working with families to [identify the deceased utilizing rapid DNA testing conducted by the University of North Texas Denton](#). Communications personnel responded to assist DPS field personnel, and the Intelligence and Counterterrorism (ICT) is working to support communications in the impacted areas. DPS IOD deployed their Vehicle and Technical Services Response Operations (VAT) on July 6.

DPS Tactical Marine Unit deployed five Zodiac boats and 18 boat crew personnel to Burnet County. Eight DPS Dive Team members have been placed on standby and are available to deploy upon request. [Highway Safety Operations Center \(HSOC\) GIS personnel were requested by TDEM to assist with geospatial taskings.](#)

[Through Emergency Management Assistance Compact \(EMAC\), 20 Ohio State Police \(OHSP\) personnel and four Ohio Department of Natural Resources \(ODNR\) canine teams were sent to Texas to aid in search and rescue operations in affected counties.](#)

Texas Department of State Health Services (DSHS)

A SOC Coordination Officer (SCO) and (LNO) have been sent to the SOC and the State Medical Operations Center (SMOC) has activated for 24-hour operations. DSHS initiated mortality surveillance operations and Public Health Region 8 is deploying one Mortuary Enhanced Remains Cooling System and Morgue trailer to support with fatality management. Texas Emergency Medical Task Force (EMTF) has activated multiple assets for this incident. The Texas Mass Fatality Operations Response Team (TMORT) has been activated and is supporting the jurisdiction with six personnel. An additional DSHS morgue trailer deployed to Kerrville on July 5. [EMTF has had 907 patient encounters, 50 were treated, and 46 were transported.](#)

Southwest Texas Regional Advisory Council (STRAC) deployed one Mortuary Enhanced Remains Cooling System to support fatality management operations, and the San Antonio Regional Medical Operations Center has been activated to support operations.

Public Health Region 8 has assigned personnel to support DDEOC 18 and have activated one Mortuary Enhanced Remains Cooling System and one Morgue Trailer in support of fatality management operations. Public Health Region 7 has assigned personnel to support DDEOC 12 in Williamson County

The Capital Area of Texas Regional Advisory Council (CATRAC), Regional Medical Operations Center (RMOC), has been activated for operations. RMOC has communicated with hospitals, nursing homes, and ALS facilities within the impact area. The SouthEast Texas Regional Advisory Council (SETRAC) will deploy two morgue trailers to Kerrville. [On July 7, SETRAC deployed two additional morgue trailers to support fatality management operations in Boerne and Kerrville. Costal Bend Regional Advisory Council \(CBRAC\) is moving two morgue trailers to Kerrville.](#)

Texas Department of Transportation (TxDOT):

[As of July 7](#), TxDOT has [34](#) locations on state-maintained roads impacted by floodwater, nine are closed due to highwater, and [25](#) are closed due to damage. TxDOT crews have been monitoring roads, clearing debris, cleaning drainage areas, and providing traffic control. State Highway (SH) 29 in Burnet County has reopened, and temporary main-lane closures were in place the last several days to provide egress to firefighting equipment. TxDOT crews and emergency staff are rostered and are on standby to respond. TxDOT has 24/7 staffing in the SOC.

Texas Health and Human Services Commission (HHSC):

[On July 7, HHSC deployed personnel to Kerrville Unified Command to coordinate disaster behavioral health services. Working to support the Family Assistance Center and First Responder Assistance Center.](#)

Texas HHSC sent staff to the SOC and personnel will remain for the duration of the incident. The Longterm Care Regulation section reports no impacted facilities. The Kerrville State Hospital reports no major impacts. Ice, water, and freight vendors are on standby to respond as needed. Disaster Behavior Health units at the local level were deployed on July 6.

A long-term care (LTC) facility in Burnet County was evacuated. Other LTC facilities have reported impacts from the severe weather but are able to shelter in place. A residential childcare facility in Liberty Hill was evacuated, and the children were moved into a stable environment. Two intermediate care facilities in Seguin have been relocated to hotels.

Texas Military Department (TMD):

TMD has activated eight Ground Transportation Platoons (GTP), 3.5 Rotary Wing Medium MRPs, a SOC Support Team, Air Operations Center Representatives, a Rotary Wing Heavy MRP, a Tactical Air Control Party (TACP), two Shelter Teams, Remote Piloted Aircraft, two Ground Transportation Company Headquarters, one Battalion Mission Command, an Air Operations Center MRP, and two Electronic Tracking Network (ETN) Teams have been activated. TMD personnel will be assisting with iSTAT and pSTAT damage assessments. Additionally, TMD has activated Chaplains and Behavioral Specialist to support Service Members working the rescue and recovery operations. TMD has made 520 rescues as of July 6. [On July 7, TMD activated a Public Affairs Team to provide public information and media relations during disaster response operations.](#) TMD has activated [243](#) personnel, [40](#) vehicles, and nine aircraft.

Texas Parks and Wildlife Department (TPWD):

TPWD has Texas Game Wardens and State Park Police Officers prepared to respond and support operations. TPWD has the following resources available: two liaisons at the SOC, two helicopters in Austin, State Game Wardens and State Park Police Officers, Search and Rescue (SAR) Boat Teams, All-Terrain Vehicles, K9 Teams, and Peer Support Team. As of July 7, TPWD performed 30 rescues, 414 evacuations, and rescued six pets.

American Red Cross (ARC):

The ARC has shelters open in Kerr and Tom Green counties:

Kerr County

- The First United Methodist Church (Shelter with Medical Support), 321

Tom Green County

- The Clarion Hotel (No Pets Authorized), 441 Rio Concho Dr., Bldg. A San Angelo, TX 76903
- Red Roof Inn (Pet Shelter), 4205 S. Bryant Blvd, San Angelo, TX 76903.

The [Calvary Temple Church](#), Burnet Community Center, Cross Tracks Church, and Mill Pond Park shelters have been closed.

The ARC has distributed 480 bottles of water, 200 Comfort Kits, 226 cots, and 270 blankets.

The Salvation Army (TSA):

The TSA is supporting feeding operations in Kerrville (Calvary Temple - now moved to Hunt), Ingram (City West Church), and Hunt (Crider's). TSA has provided 3,640 meals and 22,530 drinks.

[In Kerr and Hunt County, The Kerrville Unit is stationed at the City West Church in Ingram, with 24-hour operations supporting first responders. The Texas Emergency Disaster Services \(EDS\) support personnel and six Emotional & Spiritual Specialist are enroute to Kerrville. State donation management support package has been approved](#)

and is enroute. Additional relief supplies have been delivered and Volunteer and Donations Management ongoing.

In Tom Green County, The San Angelo canteen is stationed at the Hargraves Auto serving survivors and first responders. The Big Lake Rapid Response Unit (RRU) arrived yesterday and roamed through affected neighborhoods providing hot meals to residents cleaning out their homes. Distribution of clean up kits and hygiene kits are at 34 W 3rd Street in San Angelo.

Southern Baptists of Texas Disaster Relief (SBTC):

SBTC has a Quick Response Feeding Unit (QRU) operational at the First Baptist Church in Kerrville. On July 6, an IMT, QRU, Chaplains, showers, laundry units, and mud out units arrived in San Saba. SBTC has provided 210 volunteer hours, 70 ministry contacts, and 290 meals.

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
<https://tdem.texas.gov/response/state-operations-center#tab-2>

W. Nim Kidd, MPA, CEM

Chief – Texas Division of Emergency Management
