STATEWIDE CURRENT SITUATION:

On July 17, Governor Greg Abbott received a briefing and held a press conference at the Spur Arena on Texas' ongoing response to severe flooding that impacted Texas. Prior to the briefing and press conference, the Governor visited a Disaster Recovery Center to meet with Texas families, first responders, and volunteers.

During the press conference, Governor Abbott noted the individual and public assistance available from the state and federal government for Texans who have been impacted by the recent devastating flooding. Governor Abbott highlighted the work done by local first responders who took immediate action to save and protect their fellow Texans.

Additionally, the Governor mentioned the agenda for the upcoming special session that includes legislation to improve early warning systems and emergency response communication in communities across the state. The Governor also discussed the state agencies present at the Disaster Recovery Center in San Angelo to help provide resources and support for the mental, emotional, physical, property, and family needs of people in the Concho Valley.

On July 16, Governor Greg Abbott updated his disaster declaration following recent catastrophic flooding across Texas to include Hamilton, Lampasas, Maverick, Sutton, and Uvalde counties, bringing the total to 26 counties. Additional counties may be added at a later date.

On July 15, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to request that Coke, Concho, and Williamson counties be added to President Donald J. Trump's Major Disaster Declaration.

On July 15, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) is awarding over \$1.9 million in grant funding to hospitals in Kerrville and Llano impacted by recent catastrophic floods.

On July 14, Governor Abbott received a briefing and held a press conference at Donald Lewis Hisle Elementary School on Texas' continued response to severe flooding impacting Central Texas. Prior to the briefing and press conference, the Governor toured damage at Sandy Creek Bridge and met with local first responders to thank them for their service.

On July 14, Governor Abbott also announced that the federal government has updated President Trump's Major Disaster Declaration following recent catastrophic flooding across Texas to include Burnet, Llano, Mason, McCulloch, and Tom Green counties for the Federal Emergency Management Agency (FEMA) Public Assistance program. On July 12, Governor Abbott announced that he directed the TDEM to request that five additional counties — Burnet, Llano, Mason, McCulloch, and Tom Green — be added to President Trump's Major Disaster Declaration following the recent catastrophic flooding that impacted communities across Texas.

- Feeding Texas

Team Rubicon, Global Empowerment Mission, Convoy of Hope, and ITDRC are supporting efforts with equipment at the reunification centers.

Disaster Funds:

Statewide: OneStar Foundation

Region 6: Community Foundation of the Hill Country

Region 7: San Angelo Area Foundation

Texas A&M AgriLife Extension Service (AgriLife):

On July 17, 29 DAR personnel were activated, and additional personnel are training today to take over operations and relieve the original teams. There are five DAR specialists providing logistical support for the TAMU VET Team in Kerr County. The Texas A&M Vet Team continues to support canines providing SAR and Human Remains Detection (HRD) missions in Kerr County. There are six DAR logistics personnel positioned at the Lancer TDEM warehouse in San Antonio.

Texas A&M Engineering Extension Service Public Works Response Team (PWRT):

As of July 17, the PWRT team is providing continued support and coordinating with local water systems. 24-hour pumping operations are ongoing in San Angelo to successfully remove water from a flooded subdivision.

As of July 15, the PWRT team in Kerrville is assisting with area water systems. The PWRT team in San Angelo continued 24-hour pumping operations through overnight

rain. ESF-3 remains staffed at the SOC and the Kerrville Emergency Operations Center (EOC).

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

On July 17, Texas A&M Task Force 1 resources continue to work Search and Rescue (SAR) missions in Kerr, Travis, Kendal, and Williamson Counties. There are three Swiftwater Rescue (SWR) boat squads that are moving to Jefferson, Angelina, and Jasper Counties. One SWR boat squad is moving to Liberty County in preparation for tropical weather.

On July 16, the main threat of heavy rain has subsided, TDEM is releasing a few SWR Squads from Regions 1, 2, 7, & 8; being repositioned to other areas in preparation for tropical disturbance as forecasted. The remainder of the resources including State, EMAC and DFA will continue to monitor the weather, maintain situational awareness, fulfill 204 and AHJ requests as well as maintain the physical and mental health of all responders.

Texas A&M Forest Service (TAMFS):

TAMFS has activated six All-Hazard Strike Teams, 14 Saw Teams, and three skid steers, and the mobile command post demobilized. There are three Liaison Officers (LNO) at the SOC, one LNO and one Staging Area Manager (STAM) with the Incident Management Team (IMT). One PIO was assigned to San Angelo. TAMFS has sent six personnel to assist with logistics and coordination in Disaster District Emergency Operations Center (DDEOC) 10.

On July 15, seven TIFMAS Strike Teams were relocated from Kerrville to Region 8.

Department of Information Resources (DIR):

DIR is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified. The Texas.gov homepage banner has been updated to include flood recovery resources and a link to the Kerr County Flood Relief Fund.

Public Utility Commission of Texas (PUC):

As of July 12, the PUC reported no significant power outages. One LNO remains assigned to the SOC and will support 24-hour operations if needed.

Texas Alcoholic Beverage Commission (TABC):

Fourteen of TABC's Special Response Team (SRT) members are working alongside Texas DPS and TPWD in checkpoint, and search and recovery operations. Twenty SRT members remain on standby and are ready to respond if needed. Additional law enforcement personnel are available if more are needed if all SRT resources are used.

Texas Commission on Environmental Quality (TCEQ):

As of July 16, TCEQ is tracking one drinking water system under a boil water notice

serving 6,958 people and has authorized 12 temporary debris management sites.

As of July 14, TCEQ has staff available to respond to any air, water, and waste-related issues. TCEQ is providing local governments with technical assistance and guidance on debris management. TCEQ has authorized 11 temporary debris management sites with two located in Kerr County.

Texas Department of Agriculture (TDA):

TDA is staffing shifts at the SOC to monitor unmet needs in the agricultural community. The free, confidential Agri-Stress Helpline offers 24/7 support via call or text for those experiencing stress or loss. Staffed by trained professionals, it serves the agriculture, forestry, and fishing sectors, providing support and referrals to local mental health resources. So far, it has helped over 285 Texans in 114 counties. Call or text 1-833-897-2474 for assistance.

TDA's Hay Hotline is open for those wishing to donate hay. Donors can register at <https://texasagriculture.gov/Home/Production-Agriculture/Hay-Hotline> and will be contacted if requests are received.

TDA's STAR (State of Texas Agriculture Relief) Fund is accepting applications from those who suffered agricultural losses due to the recent weather event. Funds may be used for rebuilding fences, restoring operations, and other disaster-related costs. Applicants in counties included in the Texas Governor's disaster declaration have 90 days from the proclamation date to apply. The deadline is November 4, 2025, at 11:59 p.m. Apply at <https://texasagriculture.gov/Home/Production-Agriculture/Disaster-Assistance/STAR-Fund/Severe-Weather>.

Through the Emergency Food Assistance Program (TEFAP), TDA food bank contractors distribute USDA-donated food to emergency feeding organizations. Texans can access this food via on-site meals or take-home packages.

Texas Department of Public Safety (DPS):

On July 17, the DPS Dive Recovery Team is assisting TX-TF1 in Kerr County with nine personnel and a dive boat. The DPS Tactical Marine Unit is also assisting TX-TF1 and DPS Special Operations Group with river searches.

As of July 16, Tactical Marine Unit (TMU) is deploying four Zodiac boats and four personnel to assist TX-TF1 with search efforts. TMU has resources remaining in Travis County to assist TX-TF2 with search efforts on Cow Creek. Texas Highway Patrol (THP) is assisting Kerr County Sheriff's Office and Kerrville Police Department with their units by responding in conjunction with their personnel to calls for service, reducing the number of local units needed for a response. THP is providing security at impacted locations, securing deployed assets in San Antonio, and at incident access locations.

Over 300 DPS personnel are actively working in coordination with local, state, and

federal partners in search and recovery efforts, assisting at evacuation shelters, reunification centers, and providing security.

The Criminal Investigation Division (CID) are teamed with SOG conducting recovery efforts. CID personnel are at the morgue assisting Rangers in identification efforts. CID Special Agents are also providing security for local and county officials, and at public meetings.

The Texas Rangers Division is assisting with the collection of DNA samples for transport by AOD to the University of North Texas - Denton for victim identification. Rangers are providing death notifications for identified victims.

The Aircraft Operations Division (AOD) are conducting aerial reconnaissance missions for damage assessments in the area as well as providing flights for officials. Fixed wing aircraft are transporting DNA samples to the University of North Texas - Denton for victim identification.

The Infrastructure Operations Division (IOD) deployed the Sam Houston Command Trailer to the Kerr County EOC. They are supporting local Kerr Co. PD and Kerr County SO with Communication personnel. A 106' radio tower was deployed to Center Point as a repeater to be used amongst search personnel and to communicate with the command trailer.

Information Technology (IT) is providing on-site tech support and integrations for critical Frontline systems: TXMAP, TAK, and aircraft video systems.

Intelligence and Counterterrorism (ICT) Division Analysts are collecting, analyzing, and sanitizing information on missing and deceased individuals. They are also assisting with mapping operational routes for DPS assets to enter the impacted area. ICT Communication operators are augmenting emergency call intake from Kerr Co. PD and Kerr County SO.

Victim Employee Support Services (VESS) assisted with death notifications and continue working with the affected families by providing psychological support. They have conducted several debriefings with emergency personnel in the operational area, and more are planned in the coming days.

Texas Department of State Health Services (DSHS):

As of July 16, AMBUS (MPV 801) was replaced by MPV 6-04 for three active AMBUS in Kerrville. Since [July 18, 773](#) vaccines have been provided to first responders.

On July 14, Public Health Region (PHR) 8 has assigned personnel and assets Grimes Funeral Home along with the Texas Funeral Directors Association who continues to support operations with three personnel.

Coastal Bend Regional Advisory Council (CBRAC) has deployed two morgue trailers to

Kerr County, one is in Ingram, and one in Kerrville. DSHS Public Health Region (PHR) 8 has deployed one morgue trailer and one Mortuary Enhanced Remains Cooling Systems (MERC) in Kerrville. The Texas Mass Fatality Response Team (TMORT) remains activated and has three members supporting fatality operations at Grimes Funeral Home.

DSHS is supporting a first responder vaccine clinic at the RELLIS Staging Area (RSA) with Hepatitis A and Tetanus, Diphtheria, Pertussis (TDAP) vaccine, and will expand to the staging site at Canyon Lake High School. DSHS will also coordinate with PHR 8 and the Unified Command to conduct mobile vaccination clinics for first responders. [The total first responders vaccinated is 384 Tdap and 396 Hep A.](#) DSHS is coordinating with PHR 8, TDEM, and Peterson Health to support community vaccination clinics providing Hepatitis A and TDAP vaccines to the community. EMTF assisted the evacuation of a nursing home in San Saba. Capital Area Trauma Regional Advisory Council (CATRAC) Regional Medical Operations Center (RMOC) remobilized to coordinate on the evacuation and provide medical support in Round Mountain.

[DSHS will have the following first responder vaccination site available.](#)

Texas Emergency Medical Task Force (EMTF):

The total patient contacts for this activation are [9,669](#) encounters, [220](#) treated, [125](#) transported.

Texas Department of Transportation (TxDOT):

As of July 16, TxDOT has 26 locations on state-maintained roads impacted by flooding, eight locations are closed from flooding and nine are damaged.

Texas Health and Human Services Commission (HHSC):

On July 15, the nursing home in San Saba that evacuated on July 13 was repopulated.

On July 10, HHSC disaster behavioral health staff embedded at Unified Command continue to coordinate and support the First Responder Assistance Center (FRAC) and Family Assistance Center (FAC). The Central Texas Flooding Emotional Support Line went live at 8:00 AM. Texans statewide can call 833-812-2480 to connect with

support. FEMA granted funding for HHSC to operate the Other Needs Assistance (ONA) program. One HHSC staff member remains in place at the DRC in Kerrville. [The Georgetown DRC will open today with an additional ONA member.](#)

Texas Military Department (TMD):

As of July 17, TMD has deployed [290](#) personnel, [61](#) vehicles, and nine aircraft in support of our state partners. EMAC coordination includes 26 personnel, and four aircraft supporting 25-0026 02JUL Severe Weather Incident. TMD has seven UH-60s staged in San Antonio, Marble Falls, and Kerrville and two CH-47 in Fredericksburg. There are eight Ground Transportation Platoons (GTPs) staged across Dallas/Fort Worth as well as in Bexar, Kerr, Lampasas, and Williamson Counties, one Tactical Air Control Party (TAC-P) in Kerr County, an Air Operations Center and SOC Support Team in Austin. There is a General Support Unit (GSU) assisting the Salvation Army Donation Center in Kerrville and two Damage Assessment Teams in Austin.

The State of Arkansas has provided four UH-60 Helicopter and 24 personnel staged in Austin. The State of North Dakota has provided eight pilots for the MQ-9 Drone. The two State of Arizona Air National Guard Ground Control Station Maintenance (MQ-9) personnel have been released.

TMD has flown recon missions and provided flights for 280 first responders. EMAC Aircraft provided flights for 31 first responders, five CANINES, delivered 100 meals to Leander, and conducted eight damage assessments.

Texas Parks and Wildlife Department (TPWD):

[On July 17, Texas Game Wardens resumed search for occupants of a vehicle swept off the road in Uvalde County at river crossing at FM 187. Texas Game Wardens are providing support at the Incident Command IC trailer, liaising with local landowners, assisting with Unmanned Aircraft System \(UAS\), and assisting with ground search efforts.](#)

On July 15, Texas Game Warden Strike Teams demobilized in Kerrville and are returning to their assigned duty stations. Local Wardens will respond as needed.

On July 13, Game Wardens responded to assist with the severe flooding in Sonora, Lomita, San Saba, Kempner, Brady, Lampasas, Eldorado, and Killeen. Little Lucy RV Park in Lampasas was evacuated due to rising water. Colorado Bend State Park was closed until July 14, and the surrounding State Parks are monitoring conditions. In Kerrville, Game Wardens continue to conduct recovery missions and are in collaboration with first responders.

Texas Department of Housing and Community Affairs (TDHCA):

TDHCA is actively supporting the state's response to the severe weather event by supporting its community action agency partners at the local level and coordinating resources with HUD at the federal level.

The following partners are collaborating with local officials to identify and assist

impacted households with immediate food/gas/hotel needs.

- Tom Green County: Concho Valley Community Action Agency
- Kerr County: Community Council of South-Central Texas
- Guadalupe County: Community Council of South-Central Texas
- San Saba County: Hill Country Community Action Association

American Red Cross (ARC):

The ARC is engaged in multiple support efforts across various counties. Disaster Emergency Supplies (DES) are being distributed through community partners and mobile routes in Kerr, Tom Green, McCulloch, and Williamson Counties. ARC is supporting the Multi-Agency Resource Center (MARC) in Burnet County. In Kerrville, the ARC is supporting both the Mass Fatality Task Group and the Family Assistance Center at BT Wilson Sixth Grade School. Alongside these efforts, the ARC is working both in-person and virtually to reconnect families and loved ones. While a shelter resident transition was initiated, recent rainfall has unfortunately led to new shelter intakes.

The ARC has provided mass fatality care services in Kerr County to families of the deceased and initiated Integrated Care Condolence Teams (ICCT) for Tom Green, Concho, McCulloch, Menard, Mason, San Saba, Burnet, Williamson, and Travis Counties. The ARC also expanded community outreach and care services. Mobile Community Outreach Teams (MCOT) were deployed in Tom Green County, while Individual Disaster Care (IDC) services were provided at the Multi-Agency Resource Center (MARC) in Burnet County.

Mobile Disaster Emergency Services (DES) are in Tom Green, McCulloch, and Williamson Counties. Relationship Managers contacted all emergency management partners to provide updates and confirm new mission requests across 15 counties without activated EOCs.

Personnel are staffed for EOCs in the City of Kerrville, City of San Angelo, Travis County, and SOC. Partner organizations were mobilized to align resources, and outreach to elected officials has been consistent to ensure awareness and confidence in ARC's readiness. Finally, detailed damage assessments (DDA) were completed in Burnet, San Saba, Tom Green, Travis, and Williamson Counties, with all reports due by end of day July 12. The ARC has distributed 480 bottles of water, 200 Comfort Kits, 226 cots, and 270 blankets.

The ARC has shelters open in Kerr, Tom Green, Lampasas, Kimble, and Williamson Counties, with standby shelters in Travis. The ARC has supported shelters in Tom Green, Kimble, Williamson, and Lampasas Counties. The shelter in San Saba County has closed. ARC has initiated Shelter Resident Transition; however, recent rains have resulted in a new shelter intake. Immediate Assistance will begin in Tom Green, Williamson, Burnet, and San Saba Counties.

SBTC has provided [10,400](#) volunteer hours, [897](#) ministry contacts, and [7,399](#) meals.

Texans on Mission (TXM):

On July 14, TXM responded to the floods in San Angelo with assessors, IMT, electrical, electronic, shower and laundry services, feeding, with the flood recovery team. Assessors continue to work and are also pursuing work orders and signatures for the sorting of debris at houses that have had muck-out completed. This is to help the City of San Angelo meet the FEMA requirements. There have been 62 work orders processed with 52 remaining.

On July 14, the San Angelo Emergency Manager has asked TXM to figure out how to help to sort the debris per FEMA guideline, and we are working on a plan. The logistics required to do this work, such as obtaining work orders and owner liability signatures to access their property are ongoing. Our assessors will be assisting with this effort. This project will be coordinated with the City of San Angelo Public Works Department. [TXM have worked 6,797 hours, distributed 2,065 meals, and completed 44 assessments.](#)

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level II	(Emergency Conditions)
Level II	(Escalated Response Conditions)
Level III	(Increased Readiness Conditions)
Level IV	(Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
