RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

Communications Coordination Group (CCG):

Cellular providers continue to monitor tower sites and top off backup generators. Backup cellular platforms are on standby to deploy. The Texas Department of Public Safety (DPS) reported resources in the Panhandle have sufficient backup power and fuel for 4-5 days. DPS currently has no known power outages.

The Texas Association of Broadcasters (TAB) reports that the KAMR (NBC) TV Station in Amarillo is on the air running on generator power. In Hereford, KPAN-AM/FM is on the air and has backup generators at both the transmitter and studio. If they lose power, they will update via social media.

Optimum Communications reports four broadband sites in the Panhandle have backup power and can remain operational during extended power outages. Two other sites are having backup generators installed.

On February 18, Potter County used the FEMA Integrated Public Alert & Warning System (IPAWS) system to issue an Evacuation Warning for residents located Northwest of Amarillo with the alert providing information on the shelters supporting the evacuation operations. PBS WARN was used to monitor alerts that were issued by neighboring states for potential threats to cross state borders and enter Texas. The Alerts were shared with impacted TDEM Regions and State partners.

Incident Support Task Force (ISTF):

Mass Care:

Mass Care continues to monitor potential activities and provide sporadic feeding support. As of February 20, four feeding sites have provided a total of 1115 meals in partnership with American Red Cross and the Salvation Army.

Education:

TDEM maintains communications with public university systems, who confirmed they are monitoring the weather and have no disruptions to their normal operations and no unmet needs.

Texas A&M Engineering Extension Service Public Works Response Team (TX/PWRT):

PWRT continues to support and coordinate operations from the SOC and are monitoring requests for service.

Texas A&M AgriLife Extension Service (AgriLife):

As of February 20, 24 Disaster Assessment and Recovery Specialists and three Area Chiefs are on standby to support wildfire response efforts. AgriLife DDEOC representatives are monitoring DDEOC activations in affected regions virtually and are attending daily briefings for situational awareness.

On February 22, AgriLife conducted fencing damage assessments and monitoring needs with local landowners in affected counties. On February 23, the DAR Animal Evacuation and Response Team demobilized and returned to headquarters.

Texas A&M Forest Service (TAMFS):

TAMFS has pre-positioned heavy equipment, engines, and aircraft across regions impacted by elevated fire weather conditions. The Emergency Operations Center (EOC) is activated, and Texas Law Enforcement Telecommunication System (TLETS) messaging is underway. A targeted public awareness campaign is being conducted in the Panhandle region to include billboard messaging and outreach through local and regional news media. In total, TAMFS has [866](#) personnel committed to the event. Out-of-State personnel and equipment have integrated with TAMFS in aviation support, field operations, and other support roles.

Texas Department of Public Safety (DPS):

DPS personnel in Lubbock and Amarillo Districts are actively monitoring weather and traffic conditions, with particular attention to high-profile vehicles that may be affected by high winds. Additionally, DPS Amarillo and DPS Lubbock is providing staffing support from their perspective of DDEOCs. The Texas Highway Patrol (THP) Chief's Office is providing staffing support at the SOC. THP Troopers in the Panhandle are monitoring weather conditions and are ready to assist when requested. They are working their regular duty hours.

Texas Military Department (TMD):

TMD is supporting TAMFS in suppressing wildland fires in Texas. TMD has activated [26](#) personnel and three aircraft in support of 26-0001 Wildfire Season 2026.

Texas Parks and Wildlife Department (TPWD):

Texas Game Wardens have identified resources ready to support as needed in response to the increased Wildfire Threat affecting the State of Texas. TPWD Game Wardens are working closely with TDEM and other partners through the SOC to ensure resources are available should they be needed. TPWD is staffing the SOC and activated DDEOCs in Lubbock and Amarillo. Texas Game Wardens are supporting DDEOCC 1 and 2.

Texas Game Wardens have responded to multiple wildfires in TDEM Region 1 and supported local Law Enforcement with evacuations for the 8-Ball, Lavender, and Spade wildfire, along with traffic control. In total, TPWD has assisted 100 people to evacuate.

Texas Department of Transportation (TxDOT):

As of February 24, state-maintained roads are open and have no impact. TxDOT Emergency Management staff are at the SOC. TxDOT Amarillo and Lubbock Districts are manning their respective TDEM DDEOCs. TxDOT crews are patrolling and monitoring road conditions statewide. Up to date road conditions are available on

drivetexas.org.

As of 02-25-2026, US 183 is closed in Refugio County due to wildfire activity. TxDOT Lufkin responded to a STAR to supply 2 Portable Changeable Message Signs (PCMS) in Angelina County to warn motorists of potential visibility issues due to smoke. TxDOT DMS messaging for 'High Wildfire Danger' expired at 8pm last night for Amarillo, Lubbock, Childress, Wichita Falls, Odessa, Austin, San Angelo, Brownwood, Waco, Dallas, Fort Worth, Paris, Atlanta, Tyler, Bryan, and Lufkin districts.

On February 24, TxDOT updated their messaging for "Very High Wildfire Danger" in Amarillo, Lubbock, Childress, Wichita Falls, Odessa, Austin, San Angelo, Brownwood, Waco, Dallas, Fort Worth, Paris, Atlanta, Tyler, Bryan, and Lufkin. Messaging will change to "High Wildfire Danger" on February 25.

Texas Department of State Health Services (DSHS):

DSHS provided an Emergency Medical Taskforce (EMTF) State Coordination Officer (SCO), and a DSHS Liaison Officer (LNO) for this event. The DSHS State Medical Operations Center (SMOC) is at limited activation and supporting the response.

Texas Emergency Medical Task Force (EMTF):

EMTF has Wildland Fire Support (WLFS) Packages and All Hazard Packages activated and prepositioned for increased Fire Weather conditions across the State. All WLFS Packages have been extended to March 6.

On February 25, Wildland Fire Support Unit (WLFS) package moved from Burnet to Gillespie County, and Severe Weather (SWX) packages moved from Randall to Lubbock County and from Hill to Nacogdoches County.

Texas Health and Human Services Commission (HHSC):

HHSC began staffing the SOC in support of severe weather on February 17 and will remain for the duration of the incident.

Texas Department of Information Resources (DIR):

Texas Department of Information Resources (DIR) is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified.

Texas Department of Agriculture (TDA):

On February 18, 2026, Texas Agriculture Commissioner Sid Miller has declared an agriculture emergency for the panhandle and West Texas. TDA has one person manning the SOC. The State of Texas Agriculture Relief (STAR) Fund has been activated to support farmers and ranchers affected by wildfires. Ranchers needing hay or feed can use TDA's Hay Hotline at (877) 429-1998. Mental health support is available 24/7 through the AgriStress Helpline by trained professionals familiar with rural challenges at (833) 897-2474.

American Red Cross (ARC):

The American Red Cross has closed all shelters. The ARC served 465 meals to first responders in Donley and Potter counties.

Salvation Army:

The Amarillo Rapid Response Unit (RRU) has fed evacuees and first responders in Donley County. In total, 89 meals and 120 bottled waters were provided.
