RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

Communications Coordination Group (CCG):

Cellular providers continue to monitor tower sites and top off backup generators. Backup cellular platforms are on standby to deploy. The Texas Department of Public Safety (DPS) reported resources in the Panhandle have sufficient backup power and fuel for 4-5 days. DPS currently has no known power outages.

The Texas Association of Broadcasters (TAB) reports that the KAMR (NBC) TV Station in Amarillo is on the air running on generator power. In Hereford, KPAN-AM/FM is on the air and has backup generators at both the transmitter and studio. If they lose power, they will update via social media.

Optimum Communications reports four broadband sites in the Panhandle have backup power and can remain operational during extended power outages. Two other sites are having backup generators installed.

On February 18, Potter County used the FEMA Integrated Public Alert & Warning System (IPAWS) system to issue an Evacuation Warning for residents located Northwest of Amarillo with the alert providing information on the shelters supporting the evacuation operations. PBS WARN was used to monitor alerts that were issued by neighboring states for potential threats to cross state borders and enter Texas. The Alerts were shared with impacted TDEM Regions and State partners.

Incident Support Task Force (ISTF):

Mass Care:

Mass Care continues to monitor potential activities and provide sporadic feeding support. As of February 20, four feeding sites have provided a total of 1115 meals in partnership with American Red Cross and the Salvation Army.

Education:

TDEM maintains communications with public university systems, who confirmed they are monitoring the weather and have no disruptions to their normal operations and no unmet needs.

Texas A&M Engineering Extension Service Public Works Response Team (TX/PWRT):

PWRT continues to support and coordinate operations from the SOC and are monitoring requests for service.

Texas A&M AgriLife Extension Service (AgriLife):

As of February 20, 24 Disaster Assessment and Recovery Specialists and three Area Chiefs are on standby to support wildfire response efforts. AgriLife DDEOC representatives are monitoring DDEOC activations in affected regions virtually and are attending daily briefings for situational awareness.

AgriLife North Region Area Chief and Potter County Extension Agents are monitoring needs with local landowners in affected counties and are working with the DAR Recovery Coordinator to determine if there is a need to procure fencing donations.

On February 22, AgriLife conducted fencing damage assessments and monitoring needs with local landowners in affected counties. On February 23, the DAR Animal Evacuation and Response Team demobilized and returned to headquarters.

Texas A&M Forest Service (TAMFS):

TAMFS has pre-positioned heavy equipment, engines, and aircraft across regions impacted by elevated fire weather conditions. The Emergency Operations Center (EOC) is activated. Out-of-State personnel and equipment are integrated with TAMFS in aviation support, field operations, and other support roles to augment State resources. A targeted public awareness campaign is being conducted in the Panhandle region to include billboard messaging and outreach through local and regional news media. In total, TAMFS has 735 personnel committed to the event including three TIFMAS Strike Teams and 11 Out-of-State Strike Teams.

Texas Department of Public Safety (DPS):

DPS personnel in Lubbock and Amarillo Districts are actively monitoring weather and traffic conditions, with particular attention to high-profile vehicles that may be affected by high winds. The Texas Highway Patrol (THP) Chief's Office is providing staffing support at the SOC. THP Troopers in the Panhandle are ready to assist when requested. They are working their regular duty hours.

Texas Military Department (TMD):

TMD has released all aircraft. Mission totals: 178 buckets, 140,418 gallons, and 53.5 hours flown.

Texas Parks and Wildlife Department (TPWD):

Texas Game Wardens have identified resources ready to support as needed in response to the increased Wildfire Threat affecting the State of Texas. TPWD Game Wardens are working closely with TDEM and other partners through the SOC to ensure resources are available should they be needed.

Texas Game Wardens have responded to multiple wildfires in TDEM Region 1 and supported local Law Enforcement with evacuations for the 8-Ball, Lavender, and Spade wildfire, along with traffic control. In total, TPWD has assisted 100 people to evacuate.

Texas Department of Transportation (TxDOT):

As of March 4, there were no roadways closed or impacted due to weather or wildfires. TxDOT has an Emergency Management Coordinator (EMC) and a State Operations Center (SOC) Liaison Officer (LNO) supporting in Austin. TxDOT continues to coordinate with Texas A&M Forest Service (TAMFS) for Dynamic Message Sign (DMS) wildfire messaging, if needed.

Up to date road conditions are available on drivetexas.org.

Texas Department of State Health Services (DSHS):

DSHS provided an Emergency Medical Taskforce (EMTF) State Coordination Officer (SCO), and a DSHS Liaison Officer (LNO) for this event. The DSHS State Medical Operations Center (SMOC) is at limited activation and supporting the response.

Texas Emergency Medical Task Force (EMTF):

EMTF has Wildland Fire Support (WLFS) Packages and All Hazard Packages activated and prepositioned for increased Fire Weather conditions across the State. All WLFS Packages have been extended to March 6.

Texas Health and Human Services Commission (HHSC):

HHSC began staffing the SOC in support of severe weather on February 17 and will remain for the duration of the incident.

Texas Department of Information Resources (DIR):

Texas Department of Information Resources (DIR) is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified.

Texas Department of Agriculture (TDA):

On February 18, 2026, Texas Agriculture Commissioner Sid Miller declared an agriculture emergency for the panhandle and West Texas. TDA has one person manning the SOC. The State of Texas Agriculture Relief (STAR) Fund has been activated to support farmers and ranchers affected by wildfires. Ranchers needing hay or feed can use TDA's Hay Hotline at (877) 429-1998. Mental health support is available 24/7 through the AgriStress Helpline by trained professionals familiar with rural challenges at (833) 897-2474.

American Red Cross (ARC):

The American Red Cross has closed all shelters. The ARC served 465 meals to first responders in Donley and Potter counties.

Salvation Army:

The Amarillo Rapid Response Unit (RRU) has fed evacuees and first responders in Donley County. In total, 89 meals and 120 bottled waters were provided.
