Texas A&M Forest Service (TAMFS):

On June 18, all resources were demobilized for this event.

Texas Military Department (TMD):

TMD has activated one Ground Transportation Platoon (GTP) in support of State Agency Partners. TMD has 10 personnel and five vehicles activated for this response.

Texas Department of Public Safety (DPS):

DPS is closely monitoring the severe rain weather event expected to impact multiple DPS Regions across the state. DPS Regions have been in contact with their respective TDEM DDEOCs and will provide personnel to staff those DDEOCs as they increase their readiness levels. The Texas Highway Patrol (THP) Chief's Office is provided staffing support at the SOC. DPS will continue to work closely with TxDOT to assess road conditions.

Texas Parks and Wildlife Department (TPWD):

As of June 17, TPWD has returned to normal operations and is monitoring weather conditions and is ready to support as needed.

Texas Department of Transportation (TxDOT):

TxDOT works to maintain safe roadways for the public traveling during adverse conditions.

As of June 18, TxDOT has 25 road segments impacted by floodwater, including four road segment closures statewide due to flooding. TxDOT coastal districts have staged barricades and signage in flood-prone areas for the next round of severe weather and potential impact from Tropical Storm Arthur.

Texas Department of State Health Services (DSHS):

The DSHS State Medical Operations Center (SMOC) remains activated at Increased Readiness in support of 26-0013 New World Screwworm and 26-0002 FIFA World Cup.

As of June 18, all DSHS assets were demobilized from this incident.
