TDEM Regions Affected	1, 6, 7, 8
Disaster Districts Activated	2, 7, 8, 9, 10, 12, 18, 23, 24

STATEWIDE CURRENT SITUATION: On July 16, Governor Greg Abbott held a severe weather briefing and press conference at the State Operations Center in Austin to provide an update on the state's ongoing response to flooding across Texas. Response efforts continue while coordinating with local partners to provide assistance where it is needed most.

On July 14, Governor Greg Abbott issued a disaster declaration for 59 Texas counties as severe storms continue to threaten the state. Additional counties may be added as conditions warrant. The Governor also directed the Texas State Emergency Operations Center (SOC) to continue 24-hour operations at Level II (Escalated Response) to support the state's ongoing response to severe storms and flash flooding.

On July 12, Gov. Abbott directed the Texas Division of Emergency Management (TDEM) to activate state emergency response resources ahead of severe weather and flash flooding threats expected to impact multiple regions of Texas over the next several days.

Visit [DriveTexas.org](https://www.drivetexas.org) for real-time road conditions, find comprehensive severe weather information at [TexasReady.gov](https://www.texasready.gov), locate flood information online at [TexasFlood.org](https://www.texasflood.org), and access all-hazards preparedness tips at tdem.texas.gov/prepare.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

The State Operations Center (SOC) has activated to Level II (Escalated Response) in support of this severe weather incident. The SOC is directing interagency coordination to maintain unified communication, deploy necessary resources, and support response operations in affected regions across Texas.

Communications Coordination Group (CCG):

TDEM ESF 2 / Communications Coordination Group (CCG) partners are monitoring the situation and continue to prepare resources to respond as necessary. Our partners across the public, private and volunteer sectors are assessing and adjusting their resources in accordance with the situation. Some of the actions being taken are:

The Commission on State Emergency Communications (CSEC), has reached out to the PSAP (Public Safety Alerting Points)/ 9-1-1 centers supporting the impacted areas, and

there are currently no issues with the 9-1-1 systems. They are also coordinating request for personnel to support dispatch centers in the impacted areas.

AT&T FirstNet has deployed two (2) Cell on Wheels (COW), to the city of Kerrville, Kerr County and one to the city of Centerpoint, and one (1) to the city of Camp Wood, Real County.

T-Mobile has reported service has been restored in and around Kerrville and Uvalde, and restoration efforts are ongoing in surrounding communities. The most significant impacts remain north of Kerrville and to the south, including Brackettville, Dilley, Carrizo Springs, and areas outside Uvalde. They are deploying satellite-based backhaul solutions, including Starlink kits, to reestablish connectivity where traditional infrastructure has been disrupted. Work will continue as weather conditions improve and crews can safely access impacted sites. A SATCOLT has been deployed to support and enhance coverage at the ICP located at the Hill County Youth Center.

Verizon conducted repairs to a fiber cut, which impacted service to Kerrville and Harper. Repairs are being conducted on cell sites in Cline, Harper and Kerrville.

The Texas Department of Public Safety, Office of the SWIC (Statewide Interoperable Communications) assisted in reviewing and deconflicting requests for communications platforms and communications personnel.

Amateur Radio services have activated local nets and continue to monitor and provide backup Emergency Communication (EMCOMM) support, as well as localized spot reports. Amateur Radio groups including Texas RACES, ARRL ARES, and the 7290 Net, are supporting local EOC operations as requested by state and local jurisdictions and are providing statewide monitoring of Amateur Radio Nets.

FEMA Region 6 ESF 2 staff have begun coordination calls between federal, state and private sector ESF 2 partners. Our federal partners are monitoring the situation and to assist if requested.

The Texas Telecommunicator Emergency Response Taskforce (TXCERT) is monitoring the situation to support dispatch centers in the impacted areas if required.

ESF-5 Incident Support Task Force (ISTF):

The TDEM ISTF has 20 members deployed to areas of the state affected by severe weather and flooding.

ESF-6 Mass Care ISTF:

TDEM Mass Care ISTF continues monitoring for potential mass care activities. There have been no requests for mass care coordination; however, partner agencies remain on standby and are prepared to provide support to Texas Communities.

To Date Coordination of Mass Care Resources:

- ARC Sheltering:
 - Sites: [3](#)
 - Population: [63](#)
- Independent (City/County) Sheltering:
 - Sites: [16](#)
 - Standby Sites: [1](#)

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

[Overnight July 16, squads were very busy. Focusing on life safety, boat squads, HPVs and partner aircraft engaged in many rescues, evacuations, and investigations. To date, TX-TF1 has assisted in 28 rescue operations, 42 evacuations including one pet, and three shelter-in-place orders for this response.](#)

Texas A&M Engineering Extension Service Texas Task Force 2 (TEEX/TX-TF2):

On July 15, TX-TF2 assessed minor tornado damage in Bexar County. On July 13, TX-TF2 activated a Type 3 WC US&R.

Texas A&M Engineering Extension Service – Public Works Team (TX-PWRT):

On July 14, TX-PWRT activated in support and coordination of operations from the SOC and monitor for any requests for assistance.

[As of July 16, a five-member team has deployed to the Freeman Coliseum in San Antonio to stage. Two additional teams have been rostered.](#)

Texas A&M Forest Service (TAMFS):

As of [July 16](#), TAMFS has [six](#) Texas Intrastate Fire Mutual Aid System (TIFMAS) All Hazard (AH) Strike Teams assigned to AH Group Alpha in San Antonio and assigned to AH Group Bravo in College Station.

Texas A&M AgriLife Extension Service (AgriLife):

AgriLife has the Disaster Assessment and Recovery (DAR) unit monitoring the weather situation from the flooding in South and Southwest Texas. Weather information has been pushed out, and contact has been made with officials in affected counties. [A](#)

County Extension Agent is staffing at Disaster District Emergency Operations Center (DDEOC) 24 - Del Rio. County Extension Agents, Disaster Assessment, and Recovery Specialists are actively monitoring the weather situation and communicating with clientele to move livestock out of low-lying areas and to provide guidance on how to report AgSTAT damages.

Texas Commission on Environmental Quality (TCEQ):

TCEQ has placed emergency management staff and emergency response hazmat contractors on heightened readiness for possible deployment to assist with any air/water/waste related issues including drinking water/wastewater issues and/or emergency response activities.

As of July 16, TCEQ is tracking three drinking water systems that are on a Boil Water Notice (BWN) serving a population of 50,454.

Texas Department of Public Safety (DPS):

DPS continues to support statewide response operations related to the severe weather impacting portions of Texas. Resources have been identified and strategically positioned across the affected areas for rapid deployment, including Tactical Marine Unit (TMU) swift water rescue boat teams, Aviation Operations helicopters hoist capabilities, and Special Operations Group (SOG) Unmanned Aircraft System (UAS) teams.

Troopers, TMU swift water rescue boat teams, and Aviation Operations personnel have responded to numerous calls for service in Uvalde and surrounding communities. Responses have included rescuing residents from flooded homes, assisting occupants of vehicles stranded or submerged in floodwaters, and responding to vehicles swept from roadways. TMU personnel are working closely with Texas Parks and Wildlife Department partners and Task Force personnel to coordinate response efforts and meet ongoing operational needs.

Aviation Operations deployed a helicopter to conduct aerial reconnaissance of the Leon Creek Dam following reports of a possible breach. The reconnaissance confirmed that the dam remained intact. Aviation personnel continue to receive requests from local EOCs for rescue and aerial reconnaissance missions. SOG UAS teams are supporting aerial reconnaissance in affected areas and assisting Swift Water Rescue Boat Teams.

Total contacts for this incident include 102 rescues and 53 evacuations.

Texas Department of State Health Services (DSHS) (Texas Emergency Medical Task Force):

As of July 16, the DSHS State Medical Operations Center (SMOC) is at [Partial Activation](#) and is actively monitoring and supporting severe weather operations.

EMTF is activated to support ongoing readiness and response operations.

Texas Health and Human Services Commission (HHSC):

HHSC began staffing the SOC in support of emergency weather response operations on July 14. [HHSC has activated its ice, water, and freight contracts to provide incident support.](#)

[As of July 16, one assisted living facility and two intermediate care facilities in the Uvalde area have evacuated due to weather impacts. Surveyors check in with all impacted facilities daily to assess status and identify unmet needs. There are no unmet needs.](#)

Texas Department of Transportation (TxDOT):

As of [July 17](#), TxDOT is reporting [74](#) state-maintained road segment closures located across flood-impacted counties. [Major highway segment closures include United States Highway \(US\) 83 \(Uvalde, Real\), US-90 \(Uvalde, Kinney\), US-83 \(Uvalde\), US-377 \(Kimble, Edwards\), segments of US-57 \(Frio, Kinney, Zavala\), and Texas State Highway \(SH\) 16 \(Gillespie\) between Kerrville and Fredericksburg.](#)

Additionally, TxDOT is reporting [28](#) state-maintained roadways with patches of floodwater. [Major state highways impacted by patches of floodwater extend from Abilene, the Hill Country, and down to South Texas including Interstate Highway \(IH\) 10, IH-35, US-290, and US-380 \(mainly frontage roads\).](#)

[TxDOT has mobilized 21 portable message boards with cameras for increased monitoring and public alerts in the flood-impacted areas.](#)

TxDOT is in the process of moving portable message boards used for World Cup events and strategically placing them in the flood-impacted counties to increase public safety messaging.

TxDOT EOC and local EOCs in impacted areas are activated and are closely monitoring the severe weather threats, statewide. TxDOT reps are also staffing activated DDEOCs. TxDOT ESF-1 is staffing the State Operations Center during the 24-hour activation.

Texas Parks and Wildlife Department (TPWD):

As of July 16, Texas Game Wardens and Game Warden Search and Rescue Boat teams have responded to numerous calls for service in affected communities. Contacts have included residents needing rescue and evacuation from flooded homes, vehicles submerged in floodwater and swept off roadways. Texas Game Wardens SAR Boat Teams are working closely with Task Force personnel to coordinate response efforts and meet ongoing operational needs. Boat Teams helped gather supplies at Walmart for delivery to a local shelter utilizing vessels for delivery in Uvalde.

One TPWD helicopter is deployed and serving as needed. Also, Texas Game Warden UAS teams are supporting Game Warden SAR Boat Teams and damage assessments.

Texas Game Wardens assisted with welfare checks in camps, neighborhoods, and RV parks. A total of 54 people were evacuated from camps, RV parks, and residential areas in Uvalde and Kerr Counties. Texas Game Wardens also responded to a major crash, providing traffic control and preventing vehicles from entering the affected area in Kerr County.

Texas Game Wardens continued assisting in Comal, Kerr, Medina, and Uvalde counties by responding to multiple calls for service from individuals concerned about potential overnight flooding. In each case, the individuals chose to shelter-in-place.

The TPWD State Parks Division actively monitors severe weather conditions across Texas and notifies visitors of local weather updates. Throughout the night, State Park Police Officers and park personnel at Garner and Pedernales State Parks track rising river levels to ensure visitor safety.

To date, TPWD has assisted in 147 rescue operations, 83 evacuations including five pets, and 11 shelter-in-place orders for this response.

Texas Military Department (TMD):

TMD has activated three Ground Transportation Platoons (GTP), one Battalion Mission Command (BNMC), six Ground Support Unit Hybrids (GSU-H), two Ground Support Unit Headquarters (GSU-HQ), two ETN teams, and one Liaison Officer (LNO). Also, TMD has activated four Rotary Wing Medium, one Rotary Wing Heavy Mission Ready Packages (MRP), TF Aviation BNMC, and Tactical Air Control Party (TACP) supporting State Agency partners. TMD has activated four Emergency Tracking Network (ETN) Teams. TMD has activated 359 personnel, 79 vehicles, and 10 rotary wing aircraft.

As of July 16, TMD has assisted in the rescue of one person and evacuation of 27 people and nine pets.

Texas Cyber Command (TXCC):

The TXCC is monitoring the weather situation and is ready to support the state's response efforts. TXCC is using cybersecurity tooling and threat intelligence feeds. There are no cyber threats related to this event.

Volunteer Organizations Active in Disasters (VOAD)

American Red Cross (ARC):

As of July 16, ARC has two shelters opened; one shelter in Uvalde County serving 63 clients; one shelter in Medina County with no clients. There are six ARC shelters on standby in Edwards, Real, Terrell, Uvalde and Val Verde Counties.

The ARC has established a Level 2 Disaster Relief Operation (DR 546-27) for this response.

The Salvation Army:

In response to the major storm impacting Central and South Texas, The Salvation Army is supporting shelter feeding as requested across the area and evaluating conditions to begin service in affected areas as requested.

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I	(Emergency Conditions)
Level II	(Escalated Response Conditions)
Level III	(Increased Readiness Conditions)
Level IV	(Normal Conditions)
