

Texas Division of Emergency Management State Situation Report

New Information is in Blue Text

Event Name	26-0001 Wildfire Season 2026
Date	July 25, 2026
Time	10:00 AM
Operational Period	8:00 AM July 24, 2026, to 8:00 AM July 25, 2026
Report Number	157

TDEM Regions Affected	1, 2, 3, 5, 6, 8
DDs Active	None

STATEWIDE CURRENT SITUATION: On June 7, Governor Greg Abbott amended and renewed the disaster proclamation related to fire weather.

On May 21, Gov. Abbott announced that he directed the Texas Division of Emergency Management (TDEM) to request officials from the U.S. Small Business Administration (SBA) join state and local partners in conducting preliminary damage assessments in Panhandle communities affected by recent wildfire activity and South Texas communities impacted by April severe storms. These assessments will help determine if the state meets the thresholds for additional federal disaster assistance.

On May 19, Gov. Abbott announced that the Federal Emergency Management Agency (FEMA) has approved a request from the State of Texas for a Fire Management Assistance Grant (FMAG) for the Stinky Fire in Potter County, which has threatened homes, damaged property, impacted infrastructure, and prompted local evacuations in the Texas Panhandle.

On May 16, Gov. Abbott announced that FEMA has approved a request from the State of Texas for an FMAG for the Hunggate Fire in Randall County, which has threatened and damaged homes and infrastructure in the Texas Panhandle and forced local evacuations.

On May 8, Gov. Abbott issued a disaster proclamation related to fire weather conditions that began on August 10, 2025, as amended and renewed in subsequent proclamations, certifying that increased fire weather conditions pose an imminent threat of widespread or severe damage, injury, or loss of life or property.

On March 18, Gov. Abbott announced that FEMA has approved a request from the State of Texas for an FMAG for the Corner Pocket Fire in Donley County, which threatened and damaged homes and infrastructure in the Texas Panhandle and forced local evacuations.

On February 19, Gov. Abbott announced that FEMA has approved a request from the State of Texas for an FMAG for the 8 Ball Fire that started in Armstrong County and entered Donley County, which has threatened homes and infrastructure in the Panhandle area and has prompted local evacuations.

On February 17, Gov. Abbott directed TDEM to increase the readiness level of the Texas State Emergency Operations Center (SOC) to Level II (Escalated Response) ahead of critical wildfire danger anticipated across portions of the western half of Texas.

On February 15, Gov. Abbott announced that he directed TDEM to activate additional state wildfire response resources in anticipation of elevated-to-critical fire weather conditions in large areas of South, West, and Northwest Texas.

Operational priorities:

- Protect life and property.
- Support rapid & effective response.
- Collect and disseminate accurate incident information to improve decision-making.
- Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes DDs 1, 2, and 7)

DD 2 – Lubbock (Includes Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum Counties)

King County: The Gypsum Creek Fire has burned 535 acres and is contained.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

Communications Coordination Group (CCG):

Cellular providers continue to monitor tower sites and top off backup generators. Backup cellular platforms are on standby to deploy.

Mass Care:

Mass Care continues to monitor activities and provide sporadic feeding support.

Education:

TDEM maintains communications with public university systems, who confirmed they are monitoring the weather and have no disruptions to their normal operations.

Texas A&M Engineering Extension Service Public Works Response Team (TX/PWRT):

PWRT continues to support and coordinate operations from the SOC and are monitoring requests for service.

Texas A&M AgriLife Extension Service (AgriLife):

On May 19, the North Area Disaster Assessment and Recovery (DAR) Chief met with County Extension Agents (CEA) and officials in Potter County to assess agricultural needs. They are finding injured/burned livestock, with minimal losses reported. AgriLife is working with the local water supplier to provide water trucks for supplemental water for livestock until electricity is restored.

On February 22, AgriLife conducted fencing damage assessments and monitoring needs with local landowners in affected counties. On February 23, the Disaster Assessment and Recovery (DAR) Animal Evacuation and Response Team demobilized and returned to headquarters.

Texas A&M Forest Service (TAMFS):

TAMFS has pre-positioned heavy equipment, engines, and aircraft across regions impacted by elevated fire weather conditions. The Emergency Operations Center (EOC) is activated. A targeted public awareness campaign is being conducted in the Panhandle region to include billboard messaging and outreach through local and regional news media. In total, TAMFS has 13 personnel committed to this event.

Texas Military Department (TMD):

TMD has activated one Rotary Wing Medium (RWM) Mission Ready Package (MRP) consisting of two UH-60s, to provide direct aerial fire support to TAMFS. TMD has activated 12 personnel for this event.

Texas Parks and Wildlife Department (TPWD):

Texas Game Wardens have responded to multiple wildfires in TDEM Region 1 and supported local Law Enforcement with evacuations for the 8-Ball, Lavender, and Spade wildfire, along with traffic control. In total, TPWD has assisted 100 people in evacuation.

Texas Department of Transportation (TxDOT):

As of May 20, there were no state-maintained road closures due to wildfires. Two flooding-related closures persist (SH-359 in San Patricio Co. and FM-3404 in Llano Co.). Amarillo crews provided overnight traffic control and temporary closures. TxDOT is also supplying dynamic message signs (DMS), barricades, and fuel support in the Panhandle. Damage assessments are underway for fire-affected signs and infrastructure. TxDOT is staffing the SOC and coordinating with TAMFS for ongoing DMS wildfire messaging. Up to date road conditions are available on drivetexas.org.

Texas Department of State Health Services (DSHS):

On May 16, The State Medical Operations Center (SMOC) moved from Increased Readiness Level to Limited Activation Level. On May 27, Wildland Fire Support (WLFS) Package 13 and the Rapid Extraction Module (REM) demobilized, leaving no Emergency Medical Task Force (EMTF) assets active for all wildfire incidents.

Texas Department of Information Resources (DIR):

Texas Department of Information Resources (DIR) is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified.

Texas Department of Agriculture (TDA):

The State of Texas Agriculture Relief (STAR) Fund has been activated to support farmers and ranchers affected by wildfires. Ranchers needing hay or feed can use TDA's Hay Hotline at (877) 429-1998. Mental health support is available 24/7 through the AgriStress Helpline by trained professionals familiar with rural challenges at (833) 897-2474.

Volunteer Organizations Active in Disasters (VOAD)

Salvation Army:

The Amarillo Rapid Response Unit (RRU) has fed evacuees and first responders in Donley County. In total, 89 meals and 120 bottled waters were provided.

Southern Baptist of Texas Convention (SBTC):

As of June 6, all SBTC teams and units have been demobilized. SBTC Disaster Relief is responding to the May Wildfires in the Amarillo area. The first recovery team will arrive on May 26. As of June 5, SBTC has completed 15 home assessments, 81 spiritual/emotional care contacts, prepared and served 279 meals, completed 14 recovery jobs, completed 32 loads of laundry, provided 54 showers, and has provided 1,710 volunteer hours. SBTC will serve through clean-up of ash and debris of burned homes and properties.

Texans on Mission (TXM):

TXM deployed to Amarillo on May 23 in response to the wildfires in the area. A full Incident Management Team (IMT) was set up; electronic support, laundry unit, box unit, asset protection, electrical unit, electronic support, assessment, chainsaw unit, and fire recovery units with heavy equipment in tow. Feeding was directed by Trinity Baptist Church with TXM volunteers helping. In total, TXM has provided 643 meals, 39 assessments, five site clearings, five chainsaw jobs, 70 laundry loads, 140 showers, and 2,953 volunteer hours. The TXM deployment stood down on May 29. There were 57 work orders processed with 11 remaining that were put on hold due to waiting on insurance.

STATE RESOURCES COMMITTED

Agency	Resource Kind and Type	Personnel	Equip	Status	Location
ESF-6 Mass Care	Liaison	4	0	Assigned	SOC (Remote)
ISTF HQ Staff	Liaison	4	0	Assigned	SOC (Remote)
VOAD	Liaison	2	0	Assigned	SOC (Remote)

TxDOT	SOC Liaison	1	0	Assigned	Austin
TxDOT	Local District Support	20	12	Assigned	Amarillo District
ARC	SOC Liaison	1	0	Assigned	Austin

FINAL COMMENTS: The State Operations Center (SOC) is currently operating at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I (Emergency Conditions)
Level II (Escalated Response Conditions)
Level III (Increased Readiness Conditions)
Level IV (Normal Conditions)
