Date	July 28, 2026
Time	10:00 AM
Operational Period	8:00 AM July 27, 2026, to 8:00 AM July 28, 2026
Report Number	16

TDEM Regions Affected	1, 5, 6, 7, 8
Disaster Districts Activated	2, 7, 10, 18, 20, 24

STATEWIDE CURRENT SITUATION: The Texas State Emergency Operations Center remains activated at Level II (Escalated Response) to support local flood response operations [as flood threats continue](#). Personnel continue to coordinate requests from local officials for the appropriate phase of the disaster. Recovery staff continue to engage on clean up assistance, and personnel are connecting affected Texans with available resources. Staff across the state continue to encourage impacted individuals to report damage online at damage.tdem.texas.gov.

On July 24, Gov. Abbott [visited Cotulla](#) to assess flood damage and provide an update on the state's response to the recent severe flooding. During the visit, he credited local officials, first responders, volunteers, and residents for their swift actions, saying their efforts helped save lives. Additionally, Texas is requesting the addition of 30 counties to its Major Disaster Declaration request for FEMA Individual Assistance.

On July 22, Governor Greg Abbott [announced](#) that the Texas Health and Human Services Commission (HHSC) received federal approval to extend the time Supplemental Nutrition Assistance Program (SNAP) recipients can apply for replacement benefits for food lost or destroyed by recent flooding.

On July 20, Gov. Abbott [surveyed flood-damaged communities](#) by helicopter and provided an update during a press conference in Kerrville on Texas' ongoing response to severe floods that impacted large parts of the state last week.

On July 17, Gov. Abbott requested a [Presidential Disaster Declaration](#) to support Texas' ongoing response and recovery efforts following severe weather and flooding impacting

communities across the state. Gov. Abbott also visited Uvalde County to receive updates on flood conditions, survey damage, and meet with state and local officials coordinating the local response. This was followed by the Governor holding a press conference in the City of Uvalde.

On July 16, Gov. Abbott held a severe weather briefing and press conference at the State Operations Center in Austin to provide an update on the state's ongoing response to flooding across Texas. Response efforts continue while coordinating with local partners to provide assistance where it is needed most.

On July 14, Gov. Abbott issued a disaster declaration for 59 Texas counties as severe storms continue to threaten the state. Additional counties may be added as conditions warrant. The Governor also directed the Texas State Emergency Operations Center (SOC) to continue 24-hour operations at Level II (Escalated Response) to support the state's ongoing response to severe storms and flash flooding.

On July 12, Gov. Abbott directed the Texas Division of Emergency Management (TDEM) to activate state emergency response resources ahead of severe weather and flash flooding threats expected to impact multiple regions of Texas over the next several days.

DD 13 – Bryan (Includes Brazos, Burleson, Grimes, Leon, Madison, Robertson, and Washington Counties)

Grimes County: Recovery Operations continue in Grimes County. The Public State of Texas Assessment Tool (pSTAT) has been completed in the county with estimated damage costs and supporting documentation for state assistance accompanying the assessments.

Region 8 personnel have been deployed to impacted TDEM Regions for assistance.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

The State Operations Center (SOC) has activated to Level II (Escalated Response) in support of this severe weather incident. The SOC is directing interagency coordination to maintain unified communication, deploy necessary resources, and support response operations in affected regions across Texas.

Communications Coordination Group (CCG):

TDEM ESF 2 / Communications Coordination Group (CCG) partners are monitoring the situation and continue to prepare resources to respond as necessary.

As of July 23, the Texas Department of Public Safety (TXDPS) provided hand-held Public Safety Radios to support operations at the Uvalde EOC. Bexar County provided Land Mobile Radio (LMR) radios to support radio cache operations being conducted at the Uvalde EOC.

All public, private and volunteer sector assets have been demobilized except for Starlink, Land Mobile Radios (LMR), and system enhancements.

The Hill Country Telephone Coop continues restoration efforts resulting from the flooding event which impacted communications infrastructure across the Texas Hill Country. Progress has been made over the past few days, including restoration of several major network facilities and commercial power to multiple locations. The restoration of service is nearly complete. Remaining impacts center around pole owner restorations and moving from temporary repairs to permanent.

ESF-5 Incident Support Task Force (ISTF):

The Incident Support Task Force continues to monitor statewide situations to support regional needs. An availability poll was sent out to collect member availability, and ISTF members from around the state were deployed to the counties affected by the severe July weather. ISTF regional staff were rostered to manage membership strike teams.

Availability:

- Membership Deployed: **29**

Assignments:

- EOC Support
- Survivor Assistance

Texas A&M University Veterinary Medicine & Biomedical Sciences (TAMU-CVM):

As of July 18, the Texas A&M Veterinary Emergency Team (TAMU VET) Type 3

Veterinary Medical Support team repositioned from Kerrville to Raymondville High School. TAMU VET has 12 vet members and support equipment supporting search and rescue canines in the field. Canine teams are on standby for flooding issues as waters continue down the river basin, while most work is water rescue and not canine search. The team has answered two queries from different handlers about their canines-no requests for TAMU VET services.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):
[TX-TF1 WS Dallas was demobilized on July 27.](#)

Total contacts [among Task Force resources](#) include 50 rescues, 135 human/pet evacuations, and 17 shelter-in-place.

Texas A&M Engineering Extension Service – Public Works Team (TX-PWRT):

[As of July 27](#)

- [Texas A&M Engineering Extension Service \(TEEX\) / Texas A&M Public Works Response Team \(TX-PWRT\) continues to support and coordinate operations from the SOC. PWRT will continue to work with state partners to assess any water/wastewater, utility, or other public works needs.](#)
- [TX-PWRT has one team deployed to Carrizo Springs, awaiting Bac-T test results, one team in Cotulla to assist with bypass pumping operations, and one member in Kerr Co to assess the wastewater system.](#)

Texas A&M Forest Service (TAMFS):

[TAMFS and TIFMAS have one TIFMAS Strike Team \(ST\) in Live Oak County. A Type 1 Engine demobilized from Kerr County on July 27.](#)

Texas A&M AgriLife Extension Service (AgriLife):

AgriLife has the Disaster Assessment and Recovery (DAR) unit monitoring the weather situation from the flooding in South and Southwest Texas. Weather information has been pushed out, and contact has been made with officials in affected counties.

County Extension Agents (CEA) and DAR Specialists are actively monitoring the weather situation and communicating with clientele to move livestock out of low-lying areas and to provide guidance on how to report AgSTAT damages.

[As of July 27, there were 142 entries from the State of Texas Assessment Tool portal from landowners with agricultural damages to fencing, crops, livestock, and equipment, and 52 of those are requesting assistance from the AgriLife Extension Service. County Extension Agents in those affected counties will be notified to contact the requesting landowners to provide relief assistance.](#)

Texas Alcoholic Beverage Commission (TABC):

TABC has Enforcement Agents prepared to respond to areas affected by severe weather conditions. TABC has one liaison at the SOC and 35 Agents on available.

Texas Commission on Environmental Quality (TCEQ):

TCEQ has placed emergency management staff and emergency response hazmat contractors on heightened readiness for possible deployment to assist with any air/water/waste related issues including drinking water/wastewater issues and/or emergency response activities.

As of July 27, TCEQ is tracking two drinking water systems that are on a Boil Water Notice (BWN) serving a population of 6,480. TCEQ has approved 4 temporary debris management sites.

Texas Department of Public Safety (DPS):

On July 27, all DPS personnel and assets were demobilized and returned to normal duty. DPS resources remain available to support the incident if requested.

Total contacts for this incident include 145 rescues and 80 evacuations.

Texas Department of State Health Services (DSHS) (Texas Emergency Medical Task Force):

On July 26, DSHS State Medical Operations Center (SMOC) is at Increased Readiness and is actively monitoring and supporting severe weather operations. DSHS will continue active SOC LNO coverage beginning July 14. EMTF resources continue 911 system support, SOC and Regional EOC support, and force protection for search and rescue operations.

As of July 27, DSHS Food and Drug Program sanitarians will be conducting onsite visits over the next several days at 30 food establishment firms impacted by severe weather and flooding across Uvalde, La Salle, Kerr, Kinney, and Dimmit Counties.

Texas Health and Human Services Commission (HHSC):

HHSC began staffing the SOC in support of emergency weather response operations on July 14. HHSC has activated its ice, water, and freight contracts to provide incident support.

As of July 16, one assisted living facility and two intermediate care facilities in the Uvalde area have evacuated due to weather impacts. Surveyors check in with all impacted facilities daily to assess status and identify unmet needs. There are no unmet needs.

Texas Parks and Wildlife Department (TPWD):

On July 23, Game Wardens reported assisting residents in La Salle and McMullen counties impacted by the flooding with livestock and pet evacuations totaling 25 cattle and six pets.

As of July 21, Texas Game Wardens continued to support the communities of Tilden and Cotulla with drone support for flood and damage assessments.

TPWD has assisted in 154 rescue operations, 92 evacuations including 407 pets and livestock, and 27 shelter-in-place orders for this response.

Texas Military Department (TMD):

As of [July 27](#), [71](#) personnel, [32](#) vehicles, and two rotary wing aircraft remain activated.

TMD has assisted in 19 rescue operations and 61 evacuation operations totaling 305 persons assisted and 25 pets.

Texas Cyber Command (TXCC):

As of July 26, TXCC is monitoring the weather situation and is ready to support the state's response efforts. TXCC is using cybersecurity tooling and threat intelligence feeds. There are no cyber threats related to this event.

Texas Department of Agriculture (TDA):

As of July 26, TDA maintains the Hay and Feed Hotline, a service for donating or requesting hay and other livestock feed resources, at (877) 429-1998. TDA also offers the AgriStress Helpline, offering confidential, professional mental health support to anyone seeking assistance at any time, at (833) 897-2474.

Volunteer Organizations Active in Disasters (VOAD)**American Red Cross (ARC):**

The ARC is conducting Accelerated Outreach at three Disaster Assistance Center (DAC) locations to connect disaster with survivors, identify unmet needs, provide recovery information, and assist with registration for potential Immediate financial assistance through in-person support and outreach teams.

Beginning Monday (27Jul - 15Aug), the ARC will begin Focused Outreach, conducting targeted follow-up with identified impacted households that have not responded to

digital outreach efforts. Casework teams will support registration and connect survivors with available resources and determine eligibility for potential financial assistance. Additional assistance may be available for households facing the greatest barriers, resources permitting.

The ARC has established a Level 2 Disaster Relief Operation (DR 546-27) for this response.

ARC has one open shelter: [Dimmit County, serving 2 clients.](#)

ARC has a representative assigned to the Uvalde County EOC. Damage assessments have begun in Uvalde, Kendall, and Kerr counties. Field teams have completed 330 assessments.

The Salvation Army:

In response to the major storm impacting Central and South Texas, The Salvation Army is supporting shelter feeding as requested across the area and evaluating conditions to begin service in affected areas as requested.

As of [July 27](#), The Salvation Army has distributed a total of [18,705](#) meals, [18,326](#) drinks, and [12,245](#) snacks across Uvalde, Zavala and Kerr Counties.

On July 26, feeding operations in Uvalde and Zavala counties concluded. The Salvation Army Kerrville unit is evaluating needs for continued food service as conditions change.

Texans On Mission (TXM):

As of July 27, TXM continues to assess homeowner requests for flood recovery assistance. To date, totals include: [1,734](#) meals, [148](#) assessments, [105](#) hours heavy equipment usage, [213](#) laundry loads, [332](#) showers, and [7,167](#) volunteer hours.

Southern Baptist Texas Convention (SBTC) Disaster Relief:

SBTC Disaster relief has responded to the flooding occurring in Southwest Texas. As of [July 28](#), in Uvalde County, SBTC has prepared and served [14,300](#) meals, [637](#) emotional and spiritual care contacts, provided [160](#) showers, completed [67](#) loads of laundry, and served [2,990](#) volunteer hours. [In Dimmit County, SBTC has provided 2 emotional and spiritual contacts, and served 140 volunteer hours. In Sutton County, SBTC has provided 66 showers, completed 68 loads of laundry, and served 170 volunteer hours.](#)
